

THE BADGER BEACON

INSIDE THIS ISSUE

USAV vs. Badger Region vs. My Club

The Badger Region recently had members fill out a survey to gauge the health of the Region.

Questions were asked about what the difference between USAV and Badger Region were. And other questions came up wondering who was responsible for what (USAV or Badger Region or your local club).

We hope this week's infographic on Page 2 of the Badger Beacon helps you better understand how Badger Region and all its partners are here to serve you.

Questions about membership?

Email membership@badgervolleyball.org

From one of your Badger Region Board members

The Badger Beacon is asking each board member to submit an article for publication twice per year to let members know what they envision as best practices for the organization. This week, the column kicks off with Vice President/Ref Chair Jim Momsen. Enjoy!

What position do you currently hold on the Badger Region Board of Directors?

I actually wear two hats; I serve on the Executive Committee as the Associate Commissioner/Vice President, and I serve on the Advisory Committee as the Referee Chair for the Region.

What do you bring to the board?

I bring a process oriented and analytical mindset to both of my roles. I also bring 25+ years of experience as a corporate consultant in the Organizational Change/Instructional Design and Development/Technical Training/Technical Writing discipline.

What do you hear from your constituents?

At this time, my primary

constituents tend to be the Professional Referees, Line Judges, and Scorers, as well as the Junior Club work crews. They like the options of having in-person training available as well as the on-line training option. The Professional Referees really appreciate the on-court mentoring program that the Region has set up where referees are observed and given immediate feedback on their performance by highly rated referees from the Region.

What would you like to see the Region do more or less of?

I'd like to see the Region continue and expand the referee mentoring program as well as the highly successful Scorer monitor program. The Scorer monitor program provides mentoring to Junior Scorers at Badger Region tournaments during pool play matches. I'd also like to see the Region work on programs to cultivate and capture

the interest of younger players (6-10 year olds). Not necessarily from a competition standpoint, but from a participation and social standpoint. These young kids are our future and currently there is very little programming available for this age group.

Other important information you feel our members should know about you and what you do.

I'm very passionate about the sport of volleyball. It's a great sport that is still "under control". The community of people in volleyball is wonderful. I enjoy the interaction with the BOD as we work diligently to provide oversight and "steer the ship" in the right direction for the good of the game.

I'm also very passionate about human performance improvement and working to help people be the best that they can be.

I've found my "dream job" within the Badger Region.

One big volleyball family

Playing for your local volleyball club makes you a part of a MUCH, MUCH bigger network of volleyball players, coaches, directors, officials and more. Take a look of how we're all connected:

USA Volleyball

USA Volleyball (USAV) is the National Governing Body (NGB) for the sport of volleyball in the United States and is recognized as such by the Federation International de Volleyball (FIVB) and the United States Olympic Committee (USOC). The vision of USA Volleyball is to be acknowledged as the world leader in volleyball. USA Volleyball uses its 40 regions (like the Badger Region) to help implement its vision to players, coaches, sitting athletes, officials and other administrators of the sport.

USA Volleyball operates girls, boys, adult, High Performance and beach nationals to accommodate athletes of all ages and ability levels. It is also the source of numerous education resources such as IMPACT, CAP, SafeSport and officials training that is filtered down to the various member regions.

USAV is a separate organization from both the Junior Volleyball Association (JVA) and the Amateur Athletic Union (AAU). However, many (not all) of the athletes/coaches in JVA and AAU are also members of USAV.

USA Volleyball also oversees the teams that compete at the Olympics (men's, women's, sitting, beach).

Badger Region Volleyball Association

Badger Region Volleyball Association is a non-profit membership organization dedicated to providing a high-quality volleyball experience to its members. As seen in last week's Badger Beacon newsletter, the Badger Region is made up of a Board of Directors elected by its members, five staff members and numerous advisory board members. The Board votes on and enforces the policies enacted by USA Volleyball and those unique to the Badger Region.

The Badger Region staff works to develop programming to enhance the experience of the junior clubs, adult clubs, officials, tournament directors and other members that the Region serves. The Badger Region staff works as a liaison between the various members and USA Volleyball, helping with registration (via Webpoint) and education (for coaches, players and officials). It also looks for opportunities to assist in the growth of the sport, especially among under-served groups.

The Badger Region also operates its own High Performance team (that competes against National High Performance teams) and its own Premier Volleyball League (PVL) team that competes at the Adult Championships.

Junior/Adult Clubs

In the 2015-16 season, there were over 150 junior clubs registered in the state of Wisconsin (with about 20 of them being satellites of another club already established somewhere in the Badger Region) and about 20 adult volleyball clubs.

Each club is its own entity or business — many of which are non-profit organizations or other recognized IRS group. Philosophies on coaching, playing time, tournaments attended and costs to participate in a club are set at the club level.

The various clubs throughout the state are required to have IMPACT certified coaches with current background screenings, SafeSport trained coaches and have all athletes prepared to score-keep, linejudge and officiate matches if needed.

Directors work with tournament directors to relay schedules and other tournament information (i.e. costs, parking, concessions, etc.)

Costs for jerseys, tryouts, travel and such are often determined by a club's board of directors, president or other administrators set up by the organization. Clubs must file the correct paperwork with Badger Region to be a region-recognized group.

With an athlete or coaching membership in Badger Region, you get full access to all the great resources mentioned on this page.

Officials

Every official at a Badger Region-sanctioned tournament must be a member of USA Volleyball and have a current background screening.

Officials work closely with tournament directors and coaches to ensure that events run smoothly in accordance with the rules published in the Domestic Competition Regulations, the rulebook established by USA Volleyball.

Officials are assigned by the Region's Officials Assignor (Larry Schoenick) and work with the Officials Chair (Jim Momsen) and Officials Rating/Training Chair (Julie Voeck) to get the proper training to ref the tournaments in the Badger Region.

There are multiple levels of officials within each Region, ranging from Provisional all the way up to International.

Tournament Directors

Tournament directors organize, market and facilitate events throughout the state. To be a recognized Badger Region-sanctioned event, the director must ensure the tournament operates according to Badger Region tournament guidelines (see our website). Tournament directors must be members of the Region and have background screenings to perform their duties.

Tournament directors report to the Badger Region Tournament Director (Terry Paulson) with results, problems and highlights from their respective competitions.

Boys coaches clinic Aug. 13 in Milwaukee

The third annual boys coaches clinic will take place at 10 a.m. Saturday, Aug. 13, at Wisconsin Lutheran High School in Milwaukee.

(Register for the clinic by going to www.badgervolleyball.org.)

This year, the clinic is being offered prior to the boys high school season in an effort to reach out to WIAA coaches preparing for the fall seasons, which begin on Aug. 22. In previous years, the event was hosted in November, the week before club tryouts.

Presenters this year are three of the biggest names in the men's collegiate game:

* Mark Hulse (Head Coach at Loyola University Chicago)

Mark Hulse

Kris Berzins

* Kris Berzins (Associate Head Coach at Loyola University Chicago)

* Matt McCarthy (Associate Head Coach at Lewis University)

Hulse and Berzins have helped guide Loyola to two NCAA titles, three Final Four appearances and three MIVA Championships. In April of 2014, Hulse was named the American Volleyball Coaches Association (AVCA) Assistant Coach of the Year and was a 30-Under-30 Award winner. He also has worked with the Youth National Team Training Program in multiple capacities. Berzins was named to the 30-Under-30 list in 2015 and has been an assistant coach with the Boys Youth National Team for the past few years.

McCarthy was named to the AVCA 30-Under-30 list in 2013 in named the AVCA Assistant Coach of the Year in 2015 and helped the team to three Final Four Appearances, finishing as runner-up in 2015.

Matt McCarthy

Topics for discussion will be pulled from questions sent in by those who register for the event.

To participate in the clinic, attendees must have a USAV membership. If they do not have a current membership, a one-day membership can be purchased online (credit card) or on site (cash or check only).

The clinic is being put on thanks to a grant the region received earlier this year from USA Volleyball.

Free volleyball events Aug. 27

Who doesn't want to try volleyball for free? Following the Olympics, USA Volleyball regions, clubs and affiliates across the country will be letting people try just that! The initiative will be Saturday, Aug. 27, in gyms, schools and courts around the country. Want to know more about Open Court? Follow along:

Open Court is a USA Volleyball promotion developed to take advantage of the Olympic momentum from our successful athletes and the Gold Map program.

While Gold Map is a "find a place to play" initiative, Open Court is a one-day "try volleyball for free" promotion aimed to drive potential players to grassroots programs and facilities. This is a first-time program for USA Volleyball, but other National Governing Bodies have successfully turned Olympic-based growth programs like Open Court into an annual event that drives new athletes to the sport. USA Hockey conducts two "TryHockeyForFree.com" events a year, attracting thousands of kids to the rinks with incredible retention rates over the years.

A handful of clubs and facilities are starting to get on board for the Badger Region's Open Court initiative. Click on the links below for details about the club/facilities/locations:

* Eau Claire: UW-Eau Claire McPhee Center, 509 University Drive, 12:30 to 2:30 p.m.

* Madison: Madison Turners, 3001 S. Stoughton Road, 11 a.m. to 1 p.m.

* Oak Creek: Oak Creek High School, 340 E.

Puetz Road, 5 to 7 p.m. (Hosted by the boys and girls high school teams at Oak Creek). Click here to register for this location.

* Sheboygan: Sheboygan North High School, 1042 School Ave. 10 a.m. to noon

* Waukesha: Waukesha North High School, 2222 Michigan Ave., Noon to 3 p.m.

* Wauwatosa: St. Joseph School, 12130 W. Center St., 2 to 4 p.m.

If you played club volleyball (in any Region) during the 2015-16 season, you already have a membership and don't need to sign any waivers for the Aug. 27 events. For those who did not play or coach during the 2015-16 club season, click here to be directed to the Open Court membership registration.

Can my facility/club/school host an open court location? Yes, it can! Contact Brian Sharkey at the Badger Region office at brian@badgervolleyball.org or call 262-349-9785.

Jr. club director meeting Aug. 14

The 2016-2017 Junior Club Director meeting will be held on Sunday, August 14, 2016.

The location of the meeting will be the Country Springs Hotel & Water Park located at 2810 Golf Road in Pewaukee. Registration will begin at 7:30 a.m.

Even if you are not able to attend, please fill out a registration form to let us know that your club cannot be in attendance.

Agenda items include:

- * Badger Region Championships
- * Badger Region Qualifiers
- * SafeSport
- * Badger Region Survey
- * Sitting Volleyball
- * Coaches Coaching Coaches
- * Enthusiastic, Supportive, Positive sportsmanship program
- * Tournament director meeting (for tournament directors)

* New club director meeting (for those in their first or second year)

If you have a topic you would like to see discussed, contact Jen Armson-Dyer at jarmsondyer@badgervolleyball.org.

Don't worry, Packers fans. Green Bay has a night game that day. The meeting will be over before then.

Junior Beach Tour highlights MKE

Above, Ringo, Nancy, Terry and Tim have some fun at the Junior Beach Tour National Championships.

Number of teams: 425. Number of courts: 54
 Number of memories: Countless.

USA Volleyball's Junior Beach Tour National Championships were at Bradford Beach July 22-24, and despite some bad weather, were able to highlight the awesome lakefront Milwaukee has to offer.

Numerous winners were crowned ranging from 12 to 18 years old in both boys and girls divisions.

Participation in the Championships was contingent on teams finishing in the top three in one of the 70+ Tour stops in 2016. The Club division was available to all players wanting to get experience playing in the National Championships.

Check out the full results at www.badgervolleyball.org.

Athletes represent Badger Region at HP Championships

The Girls National Select Team, above, and the Girls International Youth teams both only finished with two losses each at the 2016 High Performance Championships in Florida.

The Boys National Youth team that represented the Badger Region was led by coaches LJ Marx (Carthage), Mike Ziegler (Capital Volleyball Academy) and Ryan Thompson (Milwaukee Sting/Badger Region staff).

The Girls National Select team took third place at the High Performance Championships held in late July down in Fort Lauderdale, Fla. The team picked up seven wins on only two losses in route to bringing home the bronze medal. Meanwhile, the Boys National Youth team finished in second place in the Silver Bracket, finishing with a final record of 4-4 in a

very tough pool. The Girls International Youth team finished with a 5-2 record in pool play, but due to tiebreakers took fourth place in the pool. That unlucky finish put the girls in a match where they won seventh place in their final match of the year. Great job, athletes and coaches! Thanks for a great year.

Boys leagues in Kenosha, Oshkosh

The Badger Region is partnering with two men's volleyball powerhouses to help grow boys volleyball in the state of Wisconsin.

Carthage College (NCAA Div. III) and the University of Wisconsin-Oshkosh (NCVF Div. I) men's volleyball teams are working with the Badger Region for this unique opportunity to get more boys playing volleyball at the middle school level.

The Badger Region sees this as a great opportunity because the Kenosha and Oshkosh areas do not have middle school volleyball, and in Oshkosh there is no high school volleyball.

However both cities are home to two of the best NCAA Div. III and College Club teams, respectively, in the country.

Both leagues that are being organized for this fall offer one hour of instruction, in addition to a minimum of two games played each night of the league.

Players and staff from Carthage and UW-Oshkosh men's volleyball team will serve as instructors, coaches and officials for each of the dates.

All participants must have a Badger Region/USA Volleyball membership to participate. These memberships are only \$15 and can be found at www.badger-volleyball.org and then click on "membership." Please sign up for

Carthage coach LJ Marx offers instruction at the 2015 Carthage Middle School League in Kenosha.

a "summer membership" for this opportunity. The \$15 membership is the ONLY cost for players or families for this league.

If players already have a USA Volleyball membership from playing club volleyball throughout the 2015-16 season, they do not need to purchase a separate membership.

This year, the UW-Oshkosh League will run 5 to 7 p.m. on Sept. 18, Sept. 25, Oct. 2 and Oct. 9 in the Kolf Center at UW-Oshkosh.

The Carthage College League will be from 6 to 8 p.m. on Sept. 18, Sept. 25, Oct. 2 and Oct. 9 at the Tarble Athletic Center, 2001 Alford Park Drive, Kenosha.

Space is limited to the first 60 athletes who sign up for the

league.

Participants can go to the home page of Badger Region (www.badgervolleyball.org) to register for either the Carthage or Oshkosh leagues. In addition to filling out the online middle school league sign up forms, participants should also make sure they have a membership while on the site.

Funding for these leagues is thanks to a grant the Badger Region Volleyball Association received from USA Volleyball at the start of 2016.

Last year, close to 60 boys participated in the first-ever league at Carthage College.

Have questions? Contact Brian Sharkey at brian@badgervolleyball.org or call the Badger Region office at 262-349-9785.

Beach, grass events to check out

The Badger Region is working with former Badger Region member and PVL athlete Heidi Pfeiffer to spread the word about outdoor tournaments for adults and youths across the country.

Check out the tool we helped create at www.volleyfinder.com.

In the meantime, check out these events taking place in Wisconsin this summer:

* Aug. 6: Midwest Championships in Milwaukee. Register through Wisconsin Juniors.

* Aug. 6: Cut Shot Classic III (Green Bay).

* Aug. 9: Tournament of Champions (14-and-under). RecPlex in Pleasant Prairie.

* Aug. 10: Tournament of Champions (14-and-under). RecPlex in Pleasant Prairie.

* Aug. 13: Junior Boys Triples and Junior Girls Triples (Grass). Hart Park, Wauwatosa.

* Aug. 20: Junior Boys Triples and Junior Girls Triples (Grass). Alcott Park, Milwaukee.

WYVL season approaching; registration now available

Center Court Sports Complex in Waukesha and the Badger Region Volleyball Association are celebrating the seventh year of existence of the Wisconsin Youth Volleyball League (WYVL).

The mission, right from the beginning has been to advance the sport of youth volleyball in the State of Wisconsin and in so doing advancing the area high schools with a strong feeder program.

Young players benefit by having fun learning fundamental skills while playing in a structured competitive environment that helps to promote the high school programs that are involved. The WYVL offers divisions for both boys and girls in grades 5

through 8.

Organizers recommend teams who participate in the WYVL be a "sign-up" team rather than a "tryout" team to foster maximum participation and development.

League play will be on Saturdays and Sunday at Center Court in September and October. Each "league" will be broken down into grade level. For example, fifth grade plays against fifth grade and sixth grade plays against sixth grade and so on. For the 2016 season, both "A" and "B" divisions will be offered at the 6th, 7th and 8th grade levels. There will be only one division for the 5th-grade level.

Organizers hope to offer boys divisions at the 5th/6th and the 7th/8th grade levels.

Since this is meant to be a learning experience, organizers are looking for parents to help coach and manage teams. In so doing, high school coaches can then solely concentrate on their own high school programs during the WYVL seasons.

Badger Region will once again be offering free USAV IMPACT Coaching Certification in August to all WYVL coaches.

Have questions about the league? Contact Tom Jurczyk at Center Court via phone at 262-548-3838 or tom@centercourtswis.com.

Have questions about getting a membership for the league? Contact Sara Voigt in the Badger Region office at 262-349-9785 or at sara@badgervolleyball.org.

Fans: Wear your sportsmanship with pride

“I love to watch you play.”
They’re the six most important words you can tell your son or daughter about the sports they play. It sends the whole message: Enthusiastic, Supportive, Positive.

And to help spread these good words, the Badger Region Volleyball Association has come up with a way of rewarding fans who elicit the true meaning of having sportsmanship in the stands.

You may see wristbands around our region with the ESP program’s message (Enthusiastic, Supportive, Positive). We have one for you, if you can live by these three words as you cheer for teams, coaches and officials in our region.

As a matter of fact, we have two of them for you; one for your wrist, and one to give away when you catch a different team’s fan using ESP. In fact give them both away, we will get you another one. Or two.

How does this work?

A handful of tournament directors from the Badger Region have requested a specific number of wristbands the Region has on hand to give out (it’s a finite number here, people, not enough for every parent or fan).

They will hand out the wristbands at their tournaments to the parents and fans they see modeling themselves in an “Enthusiastic, Supportive and Positive” manner.

They will receive two wristbands, one for themselves and

one for some that parent or fan deems worthy of ESP wristband.

People who show up to the Badger Region Championships wearing the ESP wristband will receive a special gift for being a positive role model for the young athletes in the gym.

Just don’t make us have to take the wristband away from you. That would be embarrassing.

These wristbands are for fans, not players. Let’s take our cheering and our region up a few notches:

- * Get a little crazy.
- * Go the extra mile.
- * Support your team with positive cheering.
- * Recognize the good in your teams and others.
- * Get way off the chain and clap when the other team makes a great play.
- * We need good opponents to get better. Be that good opponent.

Put away the in-your-face cheers, actions and yelling, and hold others to the same standard.

For more information about the program, contact Badger Region Volleyball Association Board Member BJ LeRoy (Northeast Rep/Adult Rep) at 4bjleroy@gmail.com.

Club directors can contact Brian Sharkey (brian@badgervolleyball.org) to request a few of the remaining wristbands for the 2015-16 season.

Refreshers from IMPACT: Six myths about coaching

By BJ LeRoy

Badger Region Board Member

Here are six myths about coaching from the IMPACT manual. Do any of these seem true to you?

- If you have played the game, you are a good coach
- If you have played the game, you are a better coach than those who haven’t played
- If you have coached for many years, you are a good coach
- The best trained coaches are needed more at the elite levels rather than the beginning levels
- Volunteer coaches cannot be fired
- Volunteer coaches should not be held to the same standards or expectations as paid coaches

Remember these are myths, not necessarily true. It may help to have played before; John Dunning at Stanford is doing pretty well without having a playing

career to fall back on.

Coaching a certain number of years doesn’t make you a great coach. Karch is doing pretty well with only 10 years of experience. And certainly, volunteers are just as important as their paid colleagues.

The best ways to get better at coaching are to continue to learn, and to find a good mentor who can help you discuss if your methods are sound.

If you are interested in learning more about mentoring, check into the region’s Coaches Coaching Coaches program, see the story at the top of this page or go to www.badgervolleyball.org.

To learn more about IMPACT or to sign up for a Coaches Coaching Coaches session, contact BJ LeRoy at 4bjleroy@gmail.com.

New program gives coaches more training

“The best way to learn is through a good mentor.”

Over the next few years, the Badger Region will help deliver information to coaching mentors throughout the region, to help the next generation of coaches get better, faster. We want to help place our experienced coaches in a position to share their knowledge, see new coaches in action, and guide coaches toward proven methods.

The region has five FREE mentor-training clinics to give away. At each two-hour clinic, all club coaches participate, while three coaches are trained to be mentors by an Advisor Coach. We have done a good portion of the work for the new mentors.

Mentor information comes from the latest High Performance clinics, and other USA Volleyball Education resources that are hard to attend in person.

Contact BJ LeRoy (4bjleroy@gmail.com) or the Badger Region Office for more information. For the full 3C website being started by the Region, go to: <http://badgervolleyball.org/coaches-coaching-coaches/>
