This year's event may have looked and felt a little different than in year's past, but we hope that it helped return a sense of normalcy to the Wisconsin volleyball community. In all we were able to have close 1,200 volleyball matches take place between more than 70 different clubs, officiated by 60 different officials.

That equates to about 10,000 individuals coming through the doors (not all at the same time) for an amazing event in downtown Milwaukee. At peak, we had 1,250 people in the convention center at one time, with three to four waves of teams coming in and out throughout the day. Our largest weekend was the first weekend with G12s, G15s and 16s.

Plenty of great events on Badger Region calendar

The Badger Region doesn't stop when the last ball dropped at the Badger Region Championships. There are lots of things on the calendar in the very near future happening here in the state of Wisconsin. Those events (tournaments, tryouts, meetings and more) include:

*** April 11: Adult volleyball tournament at the Adversity-Wisconsin Training Center in Germantown.** Any adult team made up of Badger Region members is eligible to compete. For details, email brian@badgervolleyball.org.

*** April 12: Badger Region/AVCA Virtual Coaches Panel** featuring former Ohio State women's coach Geoff Carlson, Fort Lewis College coach Giedre Tarnauskaite, Sharon Dingman from University of Chicago, Trish Siedlik from Bellevue University and JW Keickhafer from Carthage College men's volleyball. [To register, click here.](#)

*** April 17-18: Badger Region Power League** at sites throughout the state. This will be the culminating event for this year's Power League and awards will be handed out.

*** April 24-25: Badger Region High Performance tryouts** at the New Berlin Sports Plex. Think you have what it takes to be a part of the Badger Region's all star teams? Boys try out on April 24, girls try out on April 25. [Click here to register.](#)

*** May 10: Badger Region Board of Directors meeting.** Have a question for the board? Contact your area representative [here.](#)

*** May 15: Art of Coaching Talent ID Camp** for athletes at the Milwaukee Sting Center. This is the second go-round for the Badger Region/AoC clinic that allows athletes to work with elite coaches and have the training session made available to hundreds of college recruiters and coaches. Athletes and families will have the ability to access the videos from the clinic for a period of time following the event as well. Our event that took place in the winter sold out very quickly. Make sure to register for this event [here.](#)

Region, AVCA partner for Q&A with college coaches

The Badger Region and AVCA are welcoming all athletes, coaches, parents and club directors to join us at 6:30 p.m. Monday, April 12, for a virtual coaches panel.

Coaches on the panel include:

Women's Div. 1: Geoff Carlston (Former Ohio State University Coach)

Women's Div. 2: Giedre Tarnauskaite (Fort Lewis College Coach)

Women's Div. 3: Sharon Dingman (University of Chicago Coach)

Women's NAIA: Trish Siedlik (Bellevue University Coach)

Men's Coach: JW Kieckhefer (Carthage College Coach; Former Fort Wayne University Assistant Coach)

The coaches on the panel will talk a little bit about what makes their level unique, what they look for in players, how they are recruiting throughout the pandemic, and be available for Q&A.

To register, please visit the link below. After registering, you will receive a confirmation email containing information about joining the webinar.

TO BEACH OR NOT TO BEACH

Explore the Options Wisconsin Offers for Outdoor Volleyball

By now we're all ready to bust out of hibernation, isolation, and perpetual indoor dwelling.

Winter + COVID = worst combination EVER.

If you kept your sanity and overall health intact this past year, that's a **win** for sure. Now that warmer weather (and a potential return to normalcy) is on the horizon, we can anticipate a summer full of movement and activity. Volleyball players in particular can look forward to training and competing outside the confines of the standard gym, and refine skills while staying fit and getting that much-needed Vitamin D from the sun.

Beach volleyball is a great cross training activity, especially after a long indoor club (and COVID) season. Having only 2 players on the court allows for **more touches** on the ball, and for players to become **more accountable** for their individual performance while also taking **control over the outcome of the game**.

Though the pace is slower than indoor, Beach is filled with obstacles such as the sun, wind, rain, and an uneven playing surface. These variables require players to stay alert and focused, ready to respond to the possible changes during play.

BEACH is a very athletic sport that takes resilience, focus, and determination.

Among the many physical skills, **ball control** is the most prominent skill developed in the sand that directly transfers to indoor. Improved **defensive diving** and **jump training** for legs are also a natural result of playing Beach.

Beach is a very athletic sport that takes resilience, focus, and determination to be successful; all valuable attributes for the indoor game as well. Today, with all the challenges and risks of being indoors, **Beach Volleyball is the PERFECT activity** for EVERYONE to get outside, touch and/or train with a volleyball and stay safe.

SEE YOU IN THE SAND!

Art of Coaching sets lineup of coaching clinics

The 2021 AOC Coaching Clinics are here, and coaches can choose how they want to attend — in person or online.

This year, Art of Coaching is offering two different ways to attend AOC's world-class coaching clinics – in person or online – with a limited number of in-person tickets available.

Instead of touching on all parts of the game, each day of a clinic will focus on a specific set of topics in order to allow the presenting coaches to explore them fully and give you an in-depth understanding of how best to coach those aspects of the game.

BADGER REGION POWER LEAGUE

The final weekend of the Badger Region Power League will take place April 17-18 at three locations throughout the state.

* **Teams:** 174 teams are playing; teams are waitlisted if openings come up on future weekends

* **Hotels:** Information is on the Badger Region Power League for the last weekend ([click here](#))

* **Schedule:** To view the schedule, [click here](#).

* **Baller TV:** [Click here](#)

Changes on BRPL since the first weekend:

- 1) All facilities will start play at 7:30 a.m. and there are increased times between waves to reduce crowding.
- 2) It is still one spectator per player maximum at each facility. The Champion Center increased its spectator amount – going from the five per team in January to eight spectators per team at the second weekend of the event.
- 3) We have decided to postpone the challenge match for the 14-Elite and 14-Select Divisions. This match will be added as an additional match in the final weekend of BRPL.

Region lays out plan for 2021 High Performance

After having to modify its format in 2020, the Badger Region High Performance program is ready to take flight for the 2021 season. Tryouts have been announced, coaches have been secured and plans are in the works for this summer's High Performance Championships.

Many regions (including the Badger Region) send teams to USA Volleyball's High Performance Championships, providing athletes across the country the opportunity to compete in the highest-level international junior tournament available in the United States.

Not familiar with High Performance? Here's just a few of the great perks and goals of the Region's HP program:

- * Expose athletes to high-level college (NCAA and NAIA) recruiters who attend the international tournament.

- * Offer a college-like sports experience where athletes learn what it is like to be treated like an elite-level athlete.

- * Be a part of independent travel experience led by highly certified Badger Region staff and HP Coaches

- * Gain exposure to elite level coaching provided by the Midwest's highest level club and college coaches.

- * Compete and train alongside other all-star caliber athletes from around the Badger Region.

- * Play against other all-star teams from around the country and the world

Age divisions

The Badger Region will offer teams in the following divisions for the summer of 2021:

- * Boys National Youth (For athletes born in 2003 and 2004)
- * Boys National Select (For athletes born in 2005, 2006 and 2007)
- * Girls International Youth (For athletes born in 2004 and 2005)
- * Girls National Select (For athletes born in 2006, 2007)

Coaches

Coaches for the 2021 season are as follows:

- * Girls International Youth Head Coach: Abbey Sutherland (UW-Green Bay)
- * Girls International Youth

Assistant Coach: BJ Bryant (St. Norbert College)

- * Girls International Youth Assistant Coach: Emily Riese (Fond du Lac Fusion)

- * Girls National Select Head Coach: Leigh Barea (UW-Parkside)

- * Girls National Select Assistant Coach: Jon Ellmann (UW-Oshkosh)

- * Girls National Select Assistant Coach: Scott Spiess (Milwaukee Sting)

- * Girls Team Representative: Sara Voigt

- * Boys National Youth Head Coach: Brian Rushmer (Lakeland University/MVC/G'town H.S.)

- * Boys National Youth Asst. Coach: Curtis Madson (Concordia University Wisconsin)

- * Boys National Select Head Coach: Shane Reid (MSOE)

- * Boys National Select Asst. Coach: Mike Endsley (Wisconsin Lutheran College/MVC)

- * Boys Team Representative: Brian Sharkey

Tryouts

Tryouts for those teams listed above will take place at the New Berlin Sports Plex (2900 S. 163rd St., New Berlin) at the following times:

- * Boys National Youth: 9 to 11:30 a.m. Saturday, April 24
- * Boys National Select: 12:30 to 3 p.m. Saturday, April 24
- * Girls International Youth: 9 to 11:30 a.m. Sunday, April 25
- * Girls National Select: 12:30 to 3 p.m. Sunday, April 25

[To register for tryouts, click here.](#)

All athletes must attend the dated listed above. If an athlete has a conflict and has other commitments on the date listed for his or her age, special considerations will be made on a

case-by-case basis. These athletes must still register for tryouts and submit a video for tryout review. Registration for tryouts closes at 7:59 p.m. on Wednesday, April 21.

Spectators are not allowed to stay in the building due to capacity rules for the tryouts.

The dates were chosen to allow athletes who are participating in the WIAA's "Alternate Fall" volleyball season to complete that before coming back to club volleyball events like this. It allows college coaches (both men and women) the opportunity to attend after their seasons. And it is hopeful that COVID-19 cases will continue to decrease as we get later into spring as compared to our usual mid-March tryout dates. The Region apologizes for overlapping with any events that your son or daughter might be attending that weekend as we did our best to accommodate the largest cross-section of athletes as possible.

Cost for tryouts are \$40 for in-person tryouts or \$30 for video-only submissions. There are no refunds for tryouts unless the event is canceled.

Video submissions

One of the positive things to come out of the COVID-19 pandemic was how accepting athletes and families were of video submission to try out for last year's Badger Region High Performance camps. Because of that, the Badger Region will offer video feedback to any athlete who submits a "tryout video" for the High Performance program.

Two coaches from the staff listed above will review the film and offer feedback as it pertains to the content of the submission.

Video submission will not remove a person from consideration for the Badger Region High Performance program. Athletes are welcome to

submit a video AND attend the in-person tryout. The video submission will guarantee an athlete receive written feedback from the High Performance coaching staff.

All of the coaches listed above have either played, coached or helped athletes prepare for college level volleyball and have lots of experience reviewing film for scouting and recruiting purposes.

Cost of attending in-person tryouts and submitting a video is \$65.

Next steps

After tryouts, coaches will invite athletes to a camp or camps for training with the High Performance coaching staff.

- * Boys will do a series of one-day training camps in May with 24 athletes per age grouping in preparation for an overnight camp (site TBA) where the 10 athletes and a handful of alternates will gather in preparation for the High Performance Championships.

- * Girls will do a three-day camp July 6-8 with 30 athletes per age group. At the conclusion of the camp, 10 athletes per team will be chosen to represent the Badger Region program at the High Performance Championships.

The Badger Region is still working on COVID-19 precautions, but it is expected that everyone in attendance will need a negative COVID test prior to participation, as well as wear a mask at all times. Athletes will room together but will not be required to be masked while in their rooms.

Costs for the overnight camps and the trip to HP Championships are to be determined based on final costs that are yet to be determined. The due date for all payments will be June 1. No refunds will be given after that date unless an alternate player can be found to take an athlete's place.

For those chosen to attend the HP Championships, the team will depart from Milwaukee July 20 and return on July 26. The team will compete in the five-day tournament July 21-25 in Phoenix, Arizona.

Have questions about the High Performance experience? Visit our HP website by [clicking here](#). Or contact program director Brian Sharkey at brian@badgervolleyball.org or call 414-313-9055.

Badger Region, AVCA offer recruiting info, coaching education tips

Thanks to the Badger Region/AVCA partnership that began three years ago, two popular features have returned for the 2021 club volleyball season: The Coaching Education Tip of the Week and the Recruiting Tip of the Week.

Coaching Education Tip of the Week

* **March 30 Video:** Teaching athletes to see well, transition well and communicate well.

* **March 23 Image:** Make first-ball termination a priority with this drill

* **March 16 Video:** Building the other half of your coaching philosophy

Region scholarship application now open

The Badger Region will again be offering graduating seniors the opportunity to apply for scholarships available to both boys and girls.

This year, the Region will select five boys and 10 girls who meet the criteria for \$500 scholarships that will be paid directly to the student's college of choice once they are enrolled.

In addition, two athletes, one boy and one girl will also be considered for the Frisco Mo "Do Good" scholarship, if they meet the additional criteria required for these \$500 scholarships.

Lisa Deppe, the founder and owner of Frisco Mo, said her company is all "about rewarding athletes who do good in their community over the past school year."

To apply for any of the scholarships, athletes should go to click on "Program & Education" and then on "Badger Region Scholarship" on the Badger Region website ([click here](#)). There they can be taken to the application which is broken in two parts.

The first is required by all applicants.

The last section is for athletes who want to be considered for the "Do Good" scholarship, which requires some sort of community service activity be described in the application. The other Badger Region scholarships do not require community service as part of the criteria.

Athletes must meet the following criteria for both scholarships:

* Graduating high school senior in the year of application (students who graduate in winter will be eligible alongside students who graduate in the spring or summer)

* No code of conduct violations

* Student athlete is member of the Badger Region and is in good standing with the Badger Region Volleyball Association and his or her club

* Submit a completed application [form](#)

* Submit an acceptance letter from a college, university or other post-secondary academic institution.

* Submit a letter of recommendation from club director or 18s club coach

The deadline to apply is April 17, 2021. Winners will be announced in May.

Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

UPLOAD HERE: <http://badger-volleyball.org/jerseys/>

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
