Art of Coaching offering Talent ID clinic for athletes

We are less than one month away from the Art of Coaching Talent ID Clinic being held May 15 at the Milwaukee Sting Center.

The Talent ID Camp is intended for high school age athletes (graduating classes of 2021, 2022, 2023, 2024) and offers an opportunity for a high volume of position specific touches in addition to competitive 6v6 play. The camp has been planned and organized by college coaches and will have club coaches from across Badger Region facilitating the drills on each court.

Every minute of the camp will be filmed in HD with two cameras on each court for optimal viewing. Players will wear color-coded t-shirts with unique numbers for easy identification on video. All footage will be available online that same week for both players and college coaches to view.

There are still spots available in both the boys and girls sessions. [To register click here.](#) If your athlete's position is "sold out" you can register in their secondary position or submit their name to the waitlist.

Recognizing great parents, refs, work crews

Badger Region officials took the time at Badger Region Championships to recognize some awesome parent work crews at the event. Yes, you read that correct. Parent Work. Crews.

These teams with a loyal and unbiased group included:

- Milwaukee Volleyball Club 14- Jim
- MKE Sting 14-Lightning
- Motion B18-Blue
- Spike Milwaukee 18s
- South Shore Slam G13s
- Southern Heat 17s
- RVA G17 Pink
- Impact 18-National

Having parents officiate allowed teams to play a more efficient schedule and kept fewer teams in the convention center at the same time.

If you were a parent who had to officiate at the Badger Region Championships and want to share your experience about what it was like (and what your sons and daughters have to do on a usual basis),

email us at brian@badgervolleyball.org and tell us your story.

Great young ref

Just wanted to let you know that Clara Hoeksema is an outstanding referee. We have had her at 2 tournaments this year (6 matches total). She calls a really consistent game and does not insert herself into the match. Her calls are fair and she raises the level of play. Her knowledge of game and of the rules makes her seem like a 10-year veteran ref. I think I

sent my captain over to her 2-3 times during those matches and each time she was patient and explained the call so my captain understood and was then able to explain it to me.

Her excellent work made the day more enjoyable for coaches, players and parents!

Bravo Clara!!

Dann Jacobson
360 Volleyball Academy
Coach/Director

Awesome work crew

Official Jack Lynch wanted to recognized Motion 14 Silver for being a gracious and outstanding ref crew. They volunteered to work the third set on the adjacent court so that the schedule could stay ... on schedule.

App North, Washburn, Kimberly win WIAA 'alternate fall season' titles

Top-seeded Appleton North (15-0) swept second-seeded Manitowoc Lincoln (16-2) 25-20 25-21, 25-17 to win the Division 1 championship of the alternate season State Girls Volleyball Tournament Saturday at Kaukauna High School.

Appleton North wins the program's first State title in its sixth State appearance, with the five previous experiences coming in the traditional fall season. The Ships finish runner-up in their fourth State appearance.

Second-seeded Washburn (18-0) captured the Division 2 title of the alternate season Girls Volleyball State Tournament with a 25-22, 25-17, 20-25, 25-21 win over top-seed Brodhead (12-4) in the championship final.

Washburn wins its second championship in its fourth appearance at State, with three previous appearances in the traditional fall season producing a Division 3 State title in 2000. Brodhead finishes runner-up in its third State appearance.

Kimberly (18-2) won the alternate season State Boys Volleyball Tournament championship with a 25-21, 25-22, 16-25, 25-23 victory over Middleton in the final.

This year, Art of Coaching is offering two different ways to attend AOC's world-class coaching clinics — in person or online — with a limited number of in-person tickets available.

Instead of touching on all parts of the game, each day of a clinic will focus on a specific set of topics in order to allow the presenting coaches to explore them fully and give you an in-depth understanding of how best to coach those aspects of the game.

Region lays out plan for 2021 High Performance

After having to modify its format in 2020, the Badger Region High Performance program is ready to take flight for the 2021 season. Tryouts have been announced, coaches have been secured and plans are in the works for this summer's High Performance Championships.

Many regions (including the Badger Region) send teams to USA Volleyball's High Performance Championships, providing athletes across the country the opportunity to compete in the highest-level international junior tournament available in the United States.

Not familiar with High Performance? Here's just a few of the great perks and goals of the Region's HP program:

- * Expose athletes to high-level college (NCAA and NAIA) recruiters who attend the international tournament.

- * Offer a college-like sports experience where athletes learn what it is like to be treated like an elite-level athlete.

- * Be a part of independent travel experience led by highly certified Badger Region staff and HP Coaches

- * Gain exposure to elite level coaching provided by the Midwest's highest level club and college coaches.

- * Compete and train alongside other all-star caliber athletes from around the Badger Region.

- * Play against other all-star teams from around the country and the world

Age divisions

The Badger Region will offer teams in the following divisions for the summer of 2021:

- * Boys National Youth (For athletes born in 2003 and 2004)
- * Boys National Select (For athletes born in 2005, 2006 and 2007)
- * Girls International Youth (For athletes born in 2004 and 2005)
- * Girls National Select (For athletes born in 2006, 2007)

Coaches

Coaches for the 2021 season are as follows:

- * Girls International Youth Head Coach: Abbey Sutherland (UW-Green Bay)
- * Girls International Youth

Assistant Coach: BJ Bryant (St. Norbert College)

- * Girls International Youth Assistant Coach: Emily Riese (Fond du Lac Fusion)

- * Girls National Select Head Coach: Leigh Barea (UW-Parkside)

- * Girls National Select Assistant Coach: Jon Ellmann (UW-Oshkosh)

- * Girls National Select Assistant Coach: Scott Spiess (Milwaukee Sting)

- * Girls Team Representative: Sara Voigt

- * Boys National Youth Head Coach: Brian Rushmer (Lakeland University/MVC/G'town H.S.)

- * Boys National Youth Asst. Coach: Curtis Madson (Concordia University Wisconsin)

- * Boys National Select Head Coach: Shane Reid (MSOE)

- * Boys National Select Asst. Coach: Mike Endsley (Wisconsin Lutheran College/MVC)

- * Boys Team Representative: Brian Sharkey

Tryouts

Tryouts for those teams listed above will take place at the New Berlin Sports Plex (2900 S. 163rd St., New Berlin) at the following times:

- * Boys National Youth: 9 to 11:30 a.m. Saturday, April 24
- * Boys National Select: 12:30 to 3 p.m. Saturday, April 24
- * Girls International Youth: 9 to 11:30 a.m. Sunday, April 25
- * Girls National Select: 12:30 to 3 p.m. Sunday, April 25

All athletes must attend the dated listed above. If an athlete has a conflict and has other commitments on the date listed for his or her age, special considerations will be made on a case-by-case basis. These athletes must still register for tryouts and

submit a video for tryout review. Registration for tryouts closes at 7:59 p.m. on Wednesday, April 21.

Spectators are not allowed to stay in the building due to capacity rules for the tryouts.

The dates were chosen to allow athletes who are participating in the WIAA's "Alternate Fall" volleyball season to complete that before coming back to club volleyball events like this. It allows college coaches (both men and women) the opportunity to attend after their seasons. And it is hopeful that COVID-19 cases will continue to decrease as we get later into spring as compared to our usual mid-March tryout dates. The Region apologizes for overlapping with any events that your son or daughter might be attending that weekend as we did our best to accommodate the largest cross-section of athletes as possible.

Cost for tryouts are \$40 for in-person tryouts or \$30 for video-only submissions. There are no refunds for tryouts unless the event is canceled.

Video submissions

One of the positive things to come out of the COVID-19 pandemic was how accepting athletes and families were of video submission to try out for last year's Badger Region High Performance camps. Because of that, the Badger Region will offer video feedback to any athlete who submits a "tryout video" for the High Performance program.

Two coaches from the staff listed above will review the film and offer feedback as it pertains to the content of the submission.

Video submission will not remove a person from consideration for the Badger Region High Performance program. Athletes are welcome to submit a video AND attend the in-person tryout. The video sub-

mission will guarantee an athlete receive written feedback from the High Performance coaching staff.

All of the coaches listed above have either played, coached or helped athletes prepare for collegiate level volleyball and have lots of experience reviewing film for scouting and recruiting purposes.

Cost of attending in-person tryouts and submitting a video is \$65.

Next steps

After tryouts, coaches will invite athletes to a camp or camps for training with the High Performance coaching staff.

- * Boys will do a series of one-day training camps in May with 24 athletes per age grouping in preparation for an overnight camp (site TBA) where the 10 athletes and a handful of alternates will gather in preparation for the High Performance Championships.

- * Girls will do a three-day camp July 6-8 with 30 athletes per age group. At the conclusion of the camp, 10 athletes per team will be chosen to represent the Badger Region program at the High Performance Championships.

The Badger Region is still working on COVID-19 precautions, but it is expected that everyone in attendance will need a negative COVID test prior to participation, as well as wear a mask at all times. Athletes will room together but will not be required to be masked while in their rooms.

Costs for the overnight camps and the trip to HP Championships are to be determined based on final costs that are yet to be determined. The due date for all payments will be June 1. No refunds will be given after that date unless an alternate player can be found to take an athlete's place.

For those chosen to attend the HP Championships, the team will depart from Milwaukee July 20 and return on July 26. The team will compete in the five-day tournament July 21-25 in Phoenix, Arizona.

Have questions about the High Performance experience? Visit our HP website by [clicking here](#). Or contact program director Brian Sharkey at brian@badgervolleyball.org or call 414-313-9055.

Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

UPLOAD HERE: <http://badger-volleyball.org/jerseys/>

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
