Registration for the July 26-28 USA Volleyball Beach Tour National Championship is now open and closes July 22, 2022.

The Beach Tour Championships will take place in Fort Lauderdale, Fla.

There are three divisions of competition: the Open Division, the American Division and the Patriot Division. The Open and American Divisions require teams to have earned a bid for that division. The Patriot Division does not require a bid.

Teams who currently do not have a bid are welcome to register in the Patriot Division to secure a spot in the tournament and begin arranging their travel plans. Should that team earn a bid at a Regional or National Qualifier, they can send an email to BeachEvents@usav.org with the bid invitation code, and we will move that team up into the appropriate division.

Region to host first-ever Girls Future Select clinic

The Badger Region High Performance program is looking to the future.

In hopes of building a Girls Future Select team that will compete in the 2023 USA All-Star Championships, the Region is laying the groundwork now.

That starts with hosting a clinic for girls born in 2010 and 2011 from 1 to 3:30 p.m. on Saturday, April 30, at the New Berlin SportsPlex, 2900

S. 163rd St. in New Berlin. Cost is \$75.

The clinic will be led by current Badger Region High Performance coaches and who will demonstrate techniques and coaching styles that will be used when a team is formed in the 2023 season.

“This model of starting with a clinic the year before we build a team is identical to how we started offering our Boys Future

Select team about four years ago,” said High Performance program director Brian Sharkey. “As long as we see that we have strong interest and good talent at the Future Select level, we’ll be able to make a lot of decisions on how we will operate our program next year.”

Athletes born in 2010, who are technically in the Future Select age group, are still eligible to be a part of our National Select team that

tries out on Friday, March 25, at the Wisconsin Center in downtown Milwaukee. Athletes can try out for the National Select team and still participate in the Future Select clinic.

JustAGame raises funds for former player

This past weekend JustAGame Fieldhouse hosted 42 teams at the Showboat Showdown volleyball tournament. During the day parents, players and other spectators donated to JAG employee and former JAG VBC player Shelby Bartz who is beating cancer.

All tips stuffed into the concession stand jars, money raised to “Pet the Puppy”, cash to buy “Shelby’s Corner” items and donations from other Badger Region Volleyball Clubs went directly to Shelby. Special shout outs to:

North Star Volleyball Club and its five teams in attendance that donated \$362 and signed cards letting Shelby know that they are thinking about her and her fight!

Coach Tina Becker and the One Wisconsin 16 Lightning Point team for an awesome care package that included a free photo book “to celebrate your journey and remind you of how far you’ve come and how strong you are.”

Sada Gallick and family for letting Emmi lick her way into our hearts for two hours! Emmi is in training to be a diabetic alert service dog for daughter Bethany and JAG VBC 15-Red National team member. This pup is truly amazing.

JustAGame Fieldhouse for a generous donation and its employees, especially Matt Metz who stayed late Saturday night setting up “Shelby’s Corner”! Thanks for working hard to promote this special cause.

A total of \$1,260.31 was raised on the day! On behalf of Shelby thanks to all of you for all the tremendous support. You rock as much as Shelby does!

Submitted by JAG Club Director Brian Schaefer.

Recognize those who go above and beyond

They always say you catch more bees with honey than vinegar.

So let’s take that and apply it to folks in the Badger Region and offer them a little positive recognition.

See an athlete who went above and beyond

for his or her team? Heard

about an official who

did extra for a fellow ref or

work team?

See a parent

demonstrate great sportsmanship? Who did you catch in the act of

doing good?

Share their info (and yours) and both individuals will be entered in our prize giveaways.

RUSS ROSE

Art of Coaching comes to MKE

After a short hiatus, the Badger Region is welcoming back the Art of Coaching Volleyball who will be running a clinic at Marquette University April 23-24. The event is run in partnership with the Badger Region. No membership is required to attend this event.

This year's clinicians have a wide range of coaching styles and personalities, so attendees have the opportunity to learn from an assortment of exceptional coaches with different points of view.

This clinic will feature Russ Rose (Penn State University 1978-2021), John Dunning (Stanford University 2001-2016), Terry Liskevych (USA Women's National Team), Debbie Brown (Notre Dame 1990-2014) Ryan Theis (Marquette), and Marie Zidek (DePaul University), Deborah Newkirk (Coach Em Up Kids), Collen Bayer (Friday only/Milwaukee Sting) and Eric Sullivan (Friday only/MUHS 2007-2020) with classroom and on-court sessions. The Badger Region will be hosting a Friday night (April 22) clinic specifically for youth coaches (middle school and younger)

and a Saturday night social for all Badger Region coaches.

Virtual learning opportunities for the event are also available.

The Region and AoC partnered for a coaching clinic at Marquette in 2019 that was attended by over 200 coaches.

University Athlete a benefit to all players

For any Badger Region athletes participating in our marquee Badger Region-hosted events (Champs/Qualifier/Power League) as well as other out-of-state qualifiers, we want to encourage you (or your sons & daughters) to fill out a FREE University Athlete profile to help your son or daughter get recruited.

University Athlete is a great way to allow college coaches access to your information free of charge. How does it work? College coaches can download rosters from AES (the software that runs most tournaments) and put it on their devices where they can then add notes, ratings and see your schedule. The college coach is the one who pays for the service -- not the athlete or the tournament host.

University Athlete is the industry standard. And it doesn't help the athlete if he or she doesn't have a profile in the system.

Curtis Madson, a collegiate coach and Badger Region Board Member agrees.

"As an athlete this is the easiest and one of the most beneficial things you can do. Everyone talks about and are worried about what events they attend so that they can be noticed, but as a college coach there is nothing more frustrating than noticing you as an athlete and not having any information to contact you with," Madson said. "This is a free service to you as the athlete, that almost ALL college coaches at these events use. If you want to put yourself out there, and give yourself the best opportunity to be recruited, PLEASE fill out the profile and provide an email at a minimum."

For more information, go to: <https://universityathlete.com/> and fill out the free athlete profile.

Ref shoutouts

From official Patti Dawson:

Shout out to Chargers volleyball club 13 boys for an EXCELLENT job as an officiating crew. From the scorer to the boys doing lines to the coach R2 to the coach overseeing the boys at the table, each person did a wonderful job. It's the best officiating crew I've had thus far this season

Scholarship application open for all seniors

The Badger Region will again be offering graduating seniors the opportunity to apply for scholarships available to both boys and girls.

This year, the Region will select five boys and 10 girls who meet the criteria for \$500 scholarships that will be paid directly to the student's college of choice once they are enrolled.

In addition, two athletes, one boy and one girl will also be considered for the Frisco Mo "Do Good" scholarship, if they meet the additional criteria required for these \$500 scholarships.

Rewarding service

Lisa Deppe, the founder and owner of Frisco Mo, said her

company is all "about rewarding athletes who do good in their community over the past school year."

To apply for any of the scholarships, athletes should go to [click here](#). There they can be taken to the application which is broken in two parts.

The first is required by all

applicants. The last section is for athletes who want to be considered for the "Frisco Mo Do Good" scholarship, which requires some sort of community service activity be described in the application. The other Badger Region scholarships do not require community service as part of the criteria.

Criteria

Athletes must meet the following criteria for both scholarships:

* Graduating high school senior in the year of application (students who graduate in winter will be eligible alongside students who graduate in the spring or summer)

* No code of conduct violations

* Student athlete (or coach or official) is member of the Badger

Region and is in good standing with the Badger Region Volleyball Association and his or her club

* Submit a completed application form

Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

UPLOAD HERE: <http://badger-volleyball.org/jerseys/>

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

Badger Region, Frisco Mo partner for unique Wisconsin-themed volleyball shop

How do I get fun, Badger Region apparel all year round? Now you can thanks to a recent partnership between the Badger Region and Frisco Mo.

The online-only shop offers everything from pillows and posters to stickers and mugs to the more traditional hoodies and t-shirts.

A permanent link to the store now sits on www.badgervolleyball.org.

A portion of the proceeds benefits future Badger Region programming in the state of Wisconsin. For a link to the shop, click here.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
