## Recognize those who go above and beyond

Starting in the April 21 edition of the Badger Beacon newsletter, the Badger Region will begin highlighting some of the many athletes, coaches and officials recognized as part of our "Caught Doing Good" program, that got lots of traction at the last three weeks at the Badger Region Championships.

If you are interested in still nominating someone for an award, there is still time!

See an athlete who went above and beyond for his or her team? Heard about an official who did extra for a fellow ref or work team? See a parent demonstrate great sportsmanship? Who did you catch in the act of doing good?

Share their info (and yours) and both individuals will be entered in our prize giveaways.

This program is an offshoot of our Enthusiastic Supportive. Positive. (ESP) program that the Region has had in operation for many years -- just now in a digital format.

## Semi-pro adult teams battle at Badger Region Championships

The Badger Region showcased some very high level adult volleyball on Friday, April 1, on the eve of the final weekend of the Badger Region Championships.

An exhibition match was hosted at the Wisconsin Center featuring two Volleyball League of America (VLA) Tier 2 teams: Madison Inferno and Milwaukee Dive. Both teams are made up of a majority of current and former Wisconsin residents, Badger Region athletes or graduates of Wisconsin colleges and universities.

Milwaukee Dive will help lead the Badger Region Boys Youth Clinic on April 23 at Carthage College prior to the NCAA Men's Div. III National Championships.

The teams will compete in future VLA events throughout the country.

## Region seeks award nominees

It's time to recognize the Region's best: Best coaches and best club directors that is.

Nominations are being sought now through April 30 for the annual Badger Region/AVCA Club Director and Coach of the Year awards.

Only club directors are eligible to nominate individuals for Coach of the Year awards.

However, all members are eligible to nominate their club leadership for a Club Director of the Year award.

To be nominated, all coaches and club directors must exhibit professional and positive coaching behavior toward athletes, parents, coaches, opponents, and officials. He/she must also make a dedicated effort to grow the game in a fun, safe environment that fosters positive character development in youth athletes. He or she must also be in good standing with the Badger Region.

# Region to host first-ever Girls Future Select clinic

The Badger Region High Performance program is looking to the future.

In hopes of building a Girls Future Select team that will compete in the 2023 USA All-Star Championships, the Region is laying the groundwork now.

That starts with hosting a clinic for girls born in 2010 and 2011 from 1 to 3:30 p.m. on Saturday, April 30, at the New Berlin SportsPlex, 2900

S. 163rd St. in New Berlin. Cost is \$75.

The clinic will be led by current Badger Region High Performance coaches and who will demonstrate techniques and coaching styles that will be used when a team is formed in the 2023 season.

“This model of starting with a clinic the year before we build a team is identical to how we started offering our Boys Future

Select team about four years ago,” said High Performance program director Brian Sharkey. “As long as we see that we have strong interest and good talent at the Future Select level, we’ll be able to make a lot of decisions on how we will operate our program next year.”

Athletes born in 2010, who are technically in the Future Select age group, are still eligible to be a part of our National Select team that

tries out on Friday, March 25, at the Wisconsin Center in downtown Milwaukee. Athletes can try out for the National Select team and still participate in the Future Select clinic.

## Beach National Championship July 26-28

Registration for the 2022 USA Volleyball Beach Tour National Championship is now open and closes July 22.

The event takes place July 26-28 in Fort Lauderdale, Fla.

There are three divisions of competition: the Open Division, the American Division and the Patriot Division. The Open and American Divisions require teams to have earned a bid for that division. The Patriot Division does not require a bid.

Teams who currently do not have a bid are welcome to register in the Patriot Division to secure a spot in the tournament and begin arranging their travel plans. Should that team earn a bid at a Regional or National Qualifier, they can send an email to [BeachEvents@usav.org](mailto:BeachEvents@usav.org) with the bid invitation code, and we will move that team up into the appropriate division.

# Scholarship application open to seniors

The Badger Region will again be offering graduating seniors the opportunity to apply for scholarships available to both boys and girls.

This year, the Region will select five boys and 10 girls who meet the criteria for \$500 scholarships that will be paid directly to the student's college of choice once they are enrolled.

In addition, two athletes, one boy and one girl will also be considered for the Frisco Mo "Do Good" scholarship, if they meet the additional criteria required for these \$500 scholarships.

## Rewarding service

Lisa Deppe, the founder and owner of Frisco Mo, said her company is all "about rewarding athletes who do good in their community over the past school year."

To apply for any of the scholarships, athletes should go to [click here](#). There they can be taken to the application which is broken in two parts.

The first is required by all applicants. The last section is for athletes who want to be considered for the "Frisco Mo Do Good" scholarship, which requires some sort of community service activity

be described in the application. The other Badger Region scholarships do not require community service as part of the criteria.

## Criteria

Athletes must meet the following criteria for both scholarships:

- \* Graduating high school senior in the year of application (students who graduate in winter will be eligible alongside students who graduate in the spring or summer)
- \* No code of conduct violations
- \* Student athlete (or coach or official) is member of the Badger Region and is in good standing with the Badger Region Volleyball Association and his or her club
- \* Submit a completed application form
- \* Submit an acceptance letter from a college, university or other post-secondary academic institution. (To receive payment, proof of registration and enrollment in a post-secondary school will be required)
- \* Submit a letter of recommendation from club director or 18s club coach

The deadline to apply is April 29, 2022. Winners will be announced in May.

Questions? Email [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org).

# University Athlete a benefit to all players

For any Badger Region athletes participating in our marquee Badger Region-hosted events (Champs/Qualifier/Power League) as well as other out-of-state qualifiers, we want to encourage you (or your sons & daughters) to fill out a FREE University Athlete profile to help your son or daughter get recruited.

University Athlete is a great way to allow college coaches access to your information free of charge. How does it work? College coaches can download rosters from AES (the software that runs most tournaments) and put it on their devices where they can then add notes, ratings and see your schedule. The college coach is the one who pays for the service -- not the athlete or the tournament host.

University Athlete is the industry standard. And it doesn't help the athlete if he or she doesn't have a profile in the system.

Curtis Madson, a collegiate coach and Badger Region Board Member agrees.

"As an athlete this is the easiest and one of the most beneficial things you can do. Everyone talks about and are worried about what events they attend so that they can be noticed, but as a college coach there is nothing more frustrating than noticing you as an athlete and not having any information to contact you with," Madson said. "This is a free service to you as the athlete, that almost ALL college coaches at these events use. If you want to put yourself out there, and give yourself the best opportunity to be recruited, PLEASE fill out the profile and provide an email at a minimum."

For more information, go to: <https://universityathlete.com/> and fill out the free athlete profile.

# Art of Coaching comes to Milwaukee

After a short hiatus, the Badger Region is welcoming back the Art of Coaching Volleyball who will be running a clinic at Marquette University April 23-24. The event is run in partnership with the Badger Region. No membership is required to attend this event.

This year's clinicians have a wide range of coaching styles and personalities, so attendees have the opportunity to learn from an assortment of exceptional coaches with different points of view.

This clinic will feature Russ Rose (Penn State University 1978-2021), Mark Rosen (University of Michigan), Terry Liskevych (USA Women's National Team),

Debbie Brown (Notre Dame 1990-2014) Ryan Theis (Marquette), and Marie Zidek (DePaul University) and Deborah Newkirk (Coach Em Up Kids), with classroom and on-court sessions.

The Badger Region will be hosting a Saturday night social for all Badger Region coaches.

Virtual learning opportunities for the event are also available.

The Region and AoC partnered for a coaching clinic at Marquette in 2019 that was attended by over 200 coaches.

## Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

**UPLOAD HERE:** <http://badger-volleyball.org/jerseys/>

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

## Badger Region, Frisco Mo partner for unique Wisconsin-themed volleyball shop

How do I get fun, Badger Region apparel all year round? Now you can thanks to a recent partnership between the Badger Region and Frisco Mo.

The online-only shop offers everything from pillows and posters to stickers and mugs to the more traditional hoodies and t-shirts.

A permanent link to the store now sits on [www.badgervolleyball.org](http://www.badgervolleyball.org).

A portion of the proceeds benefits future Badger Region programming in the state of Wisconsin. For a link to the shop, click here.

# How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
