## Caught doing good

Hamm Family goes above and beyond in Madison

Earlier this year, the Badger Region launched the "Caught Doing Good" recognition program. While this is not a national award, it gives members a chance to be recognized for going above and beyond.

Our first winners of this award are Bob, Diane and Andrew Hamm from Madison Elite Volleyball Club.

Here is the write-up from a parent in the Madison Elite program:

*The Hamm family consisting of Bob, Diane and Andrew are outstanding. Our family has been nothing but impressed with the level of exceptional communication, organization, direction and coaching that the Hamm family offers. The weekly practice, hotel and tournament emails/reminders are so greatly appreciated in this "fast-paced" world that we live in. Andrew's coaching has been top notch. He's very well liked and has a ton of*

**Diane, Andrew and Bob Hamm are the Region's first "Caught Doing Good" honorees.**

*skill-developing experience to offer. My son, Jacob, loves playing on Andrew's team! Thank you, Hamm Family, for providing our family a wonderful volleyball experience!"*

Thank you Hamm family for being an awesome example of what it means to get "Caught Doing Good."

If you are interested in still nominating someone for an award, there is still time!

## Boys clinic a hit at Carthage

Prior to winning the Men's NCAA Div. III National Championship, Carthage College head men's volleyball coach JW Kieckhefer stopped by the boys middle school clinic taking place in the Tarble Athletic & Recreation Center.

It was a welcome addition to the clinic hosted by the Badger Region and run by athletes who participate on the Milwaukee Dive semi-professional team — a group that is sponsored by the Badger Region Volleyball

Association.

The clinic was attended by 40 boys all of whom were 14 years of age and younger on Saturday April 23 at Carthage College in Kenosha, two hours before the start of the national championship match between Carthage College and Springfield College.

Each year, the Badger Region partners with as many men's collegiate programs as possible to host free clinics like this in college gyms throughout the state.

## Firebirds win second national title

The Carthage College men's volleyball team defeated No. 1 Springfield to win the 2022 Men's Volleyball Division III National Championship on April 23 at Tarble Arena.

The Firebirds' Matt Slivinski, Gene McNulty and Kyle Cohan were named to the all-tournament team while Slivinski was named MVP of the tournament for the second-straight year.

The Firebirds finished the season on a 24-game winning streak.

This is the second team NCAA National Championship for Carthage as they are the first team to repeat since 2018.

## Boys Junior Nationals headed to Dallas in '24

Mark your calendars! The 2024 USA Volleyball Boys Junior National Championship (BJNC) will be held deep in the heart of Texas.

Teams will compete June 26-July 3 in Dallas at the Kay Bailey Hutchinson Convention Center.

The BJNC is the United States' premier junior boys club tournament for athletes ages 12-18 and attracts the most elite athletes and college scouts from across the country.

Dallas last hosted the USA Volleyball Boys Junior National Championship in 2019.

"It will be great to return to Dallas for USA Volleyball's 2024 Boys Junior National Championship," said USA Volleyball President and CEO Jamie Davis. "Dallas is such an exciting and diverse city, and we know our athletes and their families and fans will have a great time while competing for one of 17 national titles."

"Dallas has always been known as a hotbed for volleyball," said Dallas Sports Commission Executive Director, Monica Paul. "Hosting the 2024 Boys Junior National Championship is an immense honor as Dallas has a passion for youth sports and we can't wait to welcome one of USA Volleyball's largest events back to our city in 2024."

The 45th edition of the BJNC is expected to bring thousands of athletes, coaches and supporters to Dallas resulting in an economic boost.

Among the current Men's National Team players who have competed at the Boys Junior Nationals are Olympians Matt Anderson, Micah Christenson, T.J. DeFalco, Max Holt and Erik Shoji.

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

# How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
