## Caught doing good

### Charapatas understand what it means to be team players

Earlier this year, the Badger Region launched the “Caught Doing Good” recognition program. While this is not a national award, it gives members a chance to be recognized for going above and beyond.

This week’s honorees understand what it means to be team players. They are the Charapata family led by dad (Paul) and mom (Michelle).

Here is the write-up from an individual within the Fox Cities Elite Volleyball Club:

*“Paul and his family have gone above and beyond, always helping out at our facility. Their mantra is ‘Everyone goes home sooner, if we all chip in.’ Paul, Michelle, and their three children were a lifesaver today, emptying trash, sweeping, etc, when our home tourney ended. They had been at the gym all day, watching their youngest daughter play, but yet made sure the facility was in good shape, so we could all go home to our families. Today was just one example of their amazing kindness. I appreciate them so and would like to acknowledge their kindness, thoughtfulness, and effort”*

When made aware of the award, Paul Charapata shared the following:

*“We are happiest flying under the radar and prefer that other get the spotlight. Our FC Elite club is so lucky to have great staff, parents, and players that make it all work. Amy Daley in particular as club director, coach of a team that does not have her kids on it, and Mom to kids that play. She works so hard and is a positive force. We are so grateful for all that she does. We would be very happy having*

**From left, Paul, Michelle, Teegan, Finley and Aidan Charapata**

*the emphasis being on the FC Elite Club and the amazing people that are a part of it.*

Thank you Charapata family for being an awesome example of what it means to get “Caught Doing Good.”

If you are interested in still nominating someone for an award, there is still time!

**[To nominate someone for a “Caught Doing Good” honor, fill out this form on the Badger Region website.](#)**

The Badger Beacon will continue to recognize those “Caught Doing Good” over the next few weeks of newsletters.

## Badger Region Beach Champs set for Aug. 13

Two weeks ago we announced that the Badger Region Beach Championships are returning to Bradford Beach in downtown Milwaukee.

That story is true. The only thing that has changed is the date. The event will now take place all on one day: Saturday, Aug. 13.

The reason we had to move dates: There is a USA Triathlon event that is forcing the closure of the lakefront on both days of that previous weekend, which would have prevented parking and access to Bradford Beach.

We hope this does not cause a big inconvenience among those who want to support the state championships of Beach Volleyball in the Badger Region.

According to our calendars, there are no other major beach events on Aug. 13, so there is no conflict. And keeping the event to Saturday only allows athletes a day to prepare for high school tryouts.

# USA Volleyball names women's VNL roster

USA Volleyball has announced the U.S. Women's National Team's 25-athlete roster for Volleyball Nations League (VNL) 2022.

The U.S. Women are the three-time defending VNL champions as well as the 2020 Olympic gold medalists and the No. 1-ranked team in the world.

The U.S. Women's first preliminary VNL round will be May 31-June 5 at Brookshire Grocery Arena in Bossier City, La.

They will move on to play preliminary rounds in Quezon City, Philippines and Calgary, Canada. The finals will be July 13-17 in Ankara, Turkey.

Karch Kiraly, in his 10th year as Women's National Team head coach, will lead the team along with assistant coaches Erin Virtue, Tama Miyashiro and Alfee Reft.

"We are excited to return to competition and begin a new Olympic cycle, especially since we get to host the first phase of the 2022 VNL in Shreveport/Bossier City, Louisiana," said U.S. Women's Head Coach Karch Kiraly. # Men's VNL roster has new faces, lots of talent

USA Volleyball has revealed the 25-player U.S. Men's National Team roster for the Volleyball Nations League (VNL) 2022.

Fourteen players from the long list will be chosen for each week's travel roster. The U.S. Men will open the VNL Preliminary Round in Brasilia, Brazil, before moving on to Sofia, Bulgaria, and Osaka, Japan.

The men's VNL Final Round will be July 20-24 in Bologna, Italy.

Head Coach John Speraw, in his 10th year, will lead the team with assistant coaches Matt Fuerbringer and Mike Wall.

"There is good young talent on this roster, especially at outside hitter, that we are excited to evaluate early in VNL," Speraw said. "This is an opportunity for them to show if they can help us win VNL matches and if they can make a World Championship roster down the summer."

Eight players on the roster return from the team that competed at the Tokyo Olympic Games in 2021: setter Micah Christenson; libero Erik Shoji; opposite Kyle Ensing; middle blockers David

## Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

**UPLOAD HERE:** <http://badger-volleyball.org/jerseys/>

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

## Badger Region, Frisco Mo partner for unique Wisconsin-themed volleyball shop

How do I get fun, Badger Region apparel all year round? Now you can thanks to a recent partnership between the Badger Region and Frisco Mo.

The online-only shop offers everything from pillows and posters to stickers and mugs to the more traditional hoodies and t-shirts.

A permanent link to the store now sits on [www.badgervolleyball.org](http://www.badgervolleyball.org).

A portion of the proceeds benefits future Badger Region programming in the state of Wisconsin. For a link to the shop, [click here](#).

# How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
