## Badger Region Beach Champs set for Aug. 13 at Bradford Beach

Memorial Day is behind us and we can officially say: Summer is here. (Unless you're one of those that waits until June 21 to then tell me the days start getting shorter.)

Regardless, it's time to get ready for the return of the Badger Region Beach Championships. The event will take place Saturday, Aug. 13, on the shores of Lake Michigan at Bradford Beach in downtown Milwaukee.

In addition, the Region has partnered with Wisconsin Juniors to host the event and use their expertise in running beach events and their manpower to make this a great event.

Here are details about the 2022 Badger Region Beach Championships hosted by Juniors Volleyball Club:

**When:** Saturday, Aug. 13, 2022

**Where:** Bradford Beach (2400 N. Lincoln Memorial Drive, Milwaukee)

**Who:** Girls (18U, 16U, 14U, 12U) and Boys (18U, 16U, 14U)

**Cost:** \$80/doubles team

**Divisions:** G/B12U, G14U, G16U, G18U, B14U, B16U, B18U

**Register:** [Click here](#)

**Clothing:** Digs Apparel will be on site with lots of great apparel — with the beach in mind

**Food/drink:** The tiki huts at Bradford Beach will be open and serving throughout the day

Winners receive medals and t-shirts. Divisions may be changed depending on registration size. Have questions, email tournament director Kelly Lehman at [kelly@badgervolleyball.org](mailto:kelly@badgervolleyball.org) or call 262-349-9785 or contact Juniors staff member Kyleigh Block at [wjrs.kyleigh.block@gmail.com](mailto:wjrs.kyleigh.block@gmail.com) or call 309-242-0871. ## Caught doing good

Earlier this year, the Badger Region launched the “Caught Doing Good” recognition program. While this is not a national award, it gives members a chance to be recognized for going above and beyond.

This week's honoree is Elkhorn Volleyball Club coach and director Jill Flasch.

Her writeup from the nominator included:

*Coach Flasch was in charge of you u11's and 12's. She held practices twice a week and gave up her spare time to teach our girls. She taught them the basics of the game and the proper way to play and mechanics of each position on the court and off the court. Off the court she taught them what a team means and building each other up. Speaking encouraging words over the girls and helping them find their sweet spots on the court. She showed them tough love like I know you can do these things and show up on the court now for your team. I appreciate her and her role in our girls lives.*

If you are interested in still nominating someone for an award, there is still time!

[To nominate someone for a “Caught Doing Good” honor, fill out this form on the Badger Region website.](#)

The Badger Beacon will continue to recognize those “Caught Doing Good” over the next few weeks of newsletters.

Have questions? Email [membership@badgervolleyball.org](mailto:membership@badgervolleyball.org). Recipients and nominators of Caught Doing Good will receive prizes from the Badger Region.

# NTDP Academy now free to all

USA Volleyball has announced a member benefit that will give athletes new tools to improve their game on the court and in the sand. As of last week, the National Team Development Program (NTDP) Academy is free for all members of USA Volleyball.

The NTDP Academy contains dozens of online lessons from Olympic and Paralympic athletes and coaches including U.S. Women's National Team Head Coach Karch Kiraly, U.S. Men's National Team Head Coach John Speraw, Olympic gold medalist Haleigh Washington, Olympic bronze medalist Erik Shoji, beach Olympic gold medalist April Ross and Paralympic gold medalist Nicky Nieves among many others.

Athletes will gain insight into what it takes to succeed at the highest level and get advice and motivation to achieve their goals with unlimited access to more than 38 courses and 204 modules.

"Our philosophy within the NTDP is

to educate the complete athlete," said USA Volleyball Chief of Sport Peter Vint. "The NTDP Academy allows athletes to learn new mental and physical skills on-demand in the comfort of their home."

Besides athletes and coaches, the Academy also offers advice and lessons from U.S. Olympic and Paralympic Committee sport-performance staff on subjects such as weight training, nutrition and sport psychology. The well-rounded curriculum is based on the five pillars of the USA Volleyball Development Model: craft,

body, mind, heart and team.

While this content is free to members, it is \$150 for non-members.

Learn more about the NTDP Academy and see the lineup of instructors and topics at [USAVolleyball.org](http://USAVolleyball.org).

Start learning now by accessing NTDP Academy courses in the USA Volleyball Academy through your SportsEngine account. If you need help, [follow these steps](#).

# BEACH VOLLEYBALL BLAST!

WWW.BADGERVOLLEYBALL.ORG | MEMBERSHIP@BADGERVOLLEYBALL.ORG

## FREQUENTLY ASKED QUESTIONS

### Do kids need to try out before playing beach?

No tryouts for beach. Everyone plays. That's right. Simply sign up and play. No camps, clinics, drills required. Badger Region is all about the junior players actually playing volleyball.

### Are there specialized positions in beach?

Nope. Only a left and a right side. Most beach players are well-rounded and can hit, dig and block.

### Do you wear kneepads?

On the sand it's not common. If you have had knee injuries or you just feel most comfortable diving for shots with pads on, then you should not hesitate to wear knee pads or a knee brace while playing.

### Are beach courts the same size as indoor?

Beach doubles courts are much smaller. Indoor courts are 60' x 30' and beach courts are 26'3 x 52'6. A smaller court ensures rallies will last longer.

## GET EXCITED TO PLAY BEACH VOLLEYBALL

Beach volleyball has become one of the most popular summertime activities. Why play beach volleyball? Well, it's fun! Benefits of the sport include conditioning, cardiovascular exercise, improved agility, and provides outdoor social activity.

Traditionally when athletes are first playing in the sand, they need to get their "sand legs." Many athletes notice the sand is constantly shifting under their feet

forcing quick position changes using muscles which are often neglected. Over time sand volleyball players develop excellent endurance and stamina.

Getting outside is really good for mental and physical health.

Beach volleyball provides the opportunity to get outside, enjoy some fresh air, exercise, and make new friends. Get a group of kids together, grab a court at a local park and play. Pick up games can be great for kids who are new to the game.

## ADVICE FROM THE EXPERTS

Olympian **April Ross** said there is one big difference going from the indoor game to the beach. "It's the mental endurance. "You can't have any mental meltdown. You have to approach each one with intensity and emotion."

When asked if he believes indoor players should also play sand volleyball, former Stanford University

women's coach **John Dunning** says yes and that "playing sand can help a player in a variety of ways, including enjoying the game for a longer time and benefiting from the mental aspect of playing on a two-person team."

## INDOOR VS. OUTDOOR DIFFERENCES

### Outdoors: Beach/grass/sand rule

Games played to 21 points

Playing conditions (wind, sun, texture of the sand) are up to Mother Nature to decide. That's why you switch sides every seven points

Teams consist of two players. There's no bench and no substitutions. Once you step on the court, you don't get to leave until the game is decided

Very tight rules on double contacts — therefore you'll see less overhand setting taking place. No setting is allowed on first contact

Beach players must use their palm, locked or curled fingers to hit a short shot over the net

You can penetrate under the net provided you do not interfere with your opponent

Antennas are rarely used except in pro competition. In the absence of antennas, the posts act as antennas for all purposes except player contact

### Indoor volleyball rule

Games played to 25

Athletes don't have weather to contend with. You've got four walls, a roof and good lighting

Indoors, you have six athletes on the court at one time and bench players who can sub in (in addition to a libero).

Rules regarding double contacts (especially on first contacts) are more relaxed to allow for longer rallies

Open-hand tips are allowed.

Center line violations can occur if an athlete causes a safety risk or gains an advantage going past the center line

Indoor rules strictly stipulate the use of antennas to define the crossing space over the net.

# How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
