Badger Boys Series starts Friday; new logo unveiled

The Badger Boys Series, which is now in its ninth season, debuts Friday at the Milwaukee Sting Center.

The program is a low-cost, reduced-travel, low-stress event for boys 12U and 13U to compete close to home. This year's events take place Friday(s) Dec. 16 and Jan. 20.

Being centrally located and inexpensive makes it great for clubs who are starting boys programs. This year, clubs participating include I AM Volleyball, Revolution Volleyball Academy, MKE Sting, Milwaukee Volleyball Club, Southport VBC, Spike Milwaukee, Fox Valley Performance and MVP.

The new logo is courtesy of Frisco Mo and will be on display on banners and on

shirts that will be on site. Any club who had not participated in the BBS before receives free entry to the Series' play dates.

Crews travel state for '3C' coaching clinics

The Badger Region staff and its cadre of elite coaches have been hitting the road throughout the month of December to offer in-person coaching clinics

at a variety of clubs throughout the state. The Coaches Coaching Coaches

clinics have been held at Fox Valley Performance (FVP), Small Town Storm and 414 Milwaukee Elite volleyball clubs — with others on the horizon in the very near future.

At the 3C events, the Region staff and mentor coaches (many of which are collegiate coaches from throughout the state) work with lead coaches

at clubs to help them plan practices, shape coaching philosophies and better train athletes that are in their programs.

"The feedback has been super positive," said program director Brian Sharkey. "We love to offer an outside view for

clubs and work with mentor coaches who will be able to continue to educate future leaders in our sport for years to come."

Clubs interested in hosting a free 3C clinic can contact the Badger Region office.

USAV unveils online coaching academy

USA Volleyball has announced the launch of the USA Volleyball Coach Academy, an online, interactive learning platform for volleyball coaches.

The launch of the new platform came on the first day of the 2022-2023 membership season and offers clubs and coaches new tools as they prepare for the season.

USA Volleyball Coach Academy was developed to give coaches the skills, knowledge and resources to be successful on and off the court. Each month, high-quality content

will be added from top volleyball coaches, experts and educators including the coaches of the U.S. National Teams.

The curriculum for Coach Academy is based on USA Volleyball Education's newly established USA Volleyball Development Model. It includes five pillars that provide the basis for a holistic approach to coaching volleyball. The five pillars are Craft, Mind, Body, Heart and Team, shaping coursework that includes topics such as nutrition, recovery, team culture and mental health along with more

traditional skill and strategy-oriented topics.

Coursework is available for all levels of experience, so novice coaches can build a solid foundation and experienced coaches can access world-class strategies and tactics. The Gold level allows coaches to access live virtual sessions. These sessions let coaches connect, ask questions and dig into advanced topics with top volleyball experts. The first two live sessions will be completely free.

Monthly and annual subscription plans are available to

fit every budget, starting as low as \$5 per month. As a benefit of USA Volleyball membership, all member coaches get free, unlimited access to Bronze, a 50-percent discount on access to Silver, and a 33-percent discount on Gold subscriptions.

Coaches must be active members of USA Volleyball for 2022-2023 to take advantage of discounts. Contact your Region today to become a member and get access to USA Volleyball Coach Academy.

More information is available at go.usav.org/coachacademy.

Access your junior ref modules

Each year, the Badger Region requires clubs to train their coaches and youth athletes to line judge, score, libero track and be a second referee. The Badger Region will not withhold an athlete from competition if the training is not complete, but can sanction the club if it has not fulfilled requirements. Clubs have the option to let coaches and athletes take online modules to satisfy their requirement, or clubs can bring in a certified official to train in person.

If your club allows you take the online modules, use the following steps:

1. Log in to Sports Engine.
2. Click on "household" in the left rail
3. Click on the "tile" of the coach/athlete who will be taking the online modules
4. Click "view details" on the Badger Region tile under the coach or athlete's profile.
5. Click the USAV Academy button at the top of the screen.

Champs to benefit KinshipMKE, American Cancer Society

The Badger Region Championships are just around the corner with three week-ends of competition coming to the Wisconsin Center in March of 2023.

Throughout the course of the next few months and at the event, the Region will be highlighting the mission and stories of two groups who will be on site: Kinship MKE Community Food Center and the American Cancer Society.

Those attending the Badger Region Championships are encouraged to bring

food items for donation to Kinship MKE to benefit their food pantry.

In addition, teams will be challenged to raise money for the American Cancer Society in advance of the event.

The Region will give away prizes to winning teams and individuals.

More details about both partnerships and what to expect at the event will be forthcoming on our website and in future Badger

Beacon newsletters.

The 2023 Badger Region Championships will be March 11-12, March 18-19 and March 25-26.

Girls age division added for HP; boys ages change

The Badger Region has announced ages at which it will field teams for the 2023 USA All-Star Championships taking place in July of 2023 in Fort Lauderdale, Fla.

Badger Region High Performance All-Star teams being offered by the Region will be as follows:

* Girls U17 — formerly International Youth (Born in 2006 and 2007)

* Girls U15 — formerly National Select (Born in 2008, 2009)

* Girls U13 — formerly Future Select (Born in 2010, 2011)

* Boys U19 — formerly National Youth (Born in 2004 and 2005)

* Boys U17 — formerly National Select (Born in 2006 and 2007)

Families should note that the Region will now be offering a U13 girls division for the first time in program history.

To comply with FIVB international age definitions that changed this past year, boys age definitions have also changed for the competition

that will take place in the summer of 2023.

Tryout dates for both the boys and girls program will be announced in the near future.

In 2022, the Badger Region came home with two gold medals at the USA All-Star Championships held in Tulsa, Okla.

Donations sought for ref-starter kits

The Badger Region wants to thank the experienced officials who have donated to the ref-starter kits being put together for new officials in Wisconsin.

Your generosity is appreciated. That being said, the Region is continuing to collect gently used officiating items that can be used to build starter kits for new officials just starting off.

Some of the suggested items we are collecting include:

- * Line judge flags
- * Referee carrying bags
- * Yellow/Red cards
- * Officials polos (maybe you have certain colors you don't like to wear or sizes that you

never fit into your closet)

- * Writing utensils and erasers
- * Correction tape
- * Coolers/lunch boxes
- * Ball pumps
- * Electronic whistles
- * Net-height chains

All new officials will receive a flipping coin, cooler and some other Badger Region swag. We just want to make it as easy on possible for new referees to get started.

If you want to donate to our ref-starter kits, you can drop off materials to the Badger Region Office (2831 N. Grandview Blvd., Suite 105, in Pewaukee).

University Athlete a benefit to all players

For any Badger Region athletes participating in our marquee Badger Region-hosted events (Champs/Qualifier/Power League) as well as other out-of-state qualifiers, we want to encourage you (or your sons & daughters) to fill out a FREE University Athlete profile to help your son or daughter get recruited.

University Athlete is a great way to allow college coaches access to your information free of charge. How does it work? College coaches can download rosters from AES (the software that runs most tournaments) and put it on their devices where they can then add notes, ratings and see your schedule. The college coach is the one who pays for the service -- not the athlete or the tournament host.

University Athlete is the industry standard. And it doesn't help the athlete if he or she doesn't have a profile in the

system.

Curtis Madson, a collegiate coach and Badger Region Board Member agrees.

"As an athlete this is the easiest and one of the most beneficial things you can do. Everyone talks about and are worried about what events they attend so that they can be noticed, but as a college coach there is nothing more frustrating than noticing you as an athlete and not having any information to contact you with," Madson said. "This is a free service to you as the athlete, that almost ALL college coaches at these events use. If you want to put yourself out there, and give yourself the best opportunity to be recruited, PLEASE fill out the profile and provide an email at a minimum."

For more information, go to: <https://universityathlete.com/> an fill out the free athlete profile.

Share your pics, stories with the Badger Region

With the start of the new year only a few weeks away, the Badger Region is once again looking forward to a handful of opportunities to feature athletes, coaches, officials and fans in the pages of our newsletter and on our website and social media.

Here's where you can come in.

You can submit a photo for the Badger Region Team of the Week. Winners of the **Team of the Week** will have Badger Region swag (mini volleyballs, lanyards, magnet clips, pens, pins and other fun stuff) sent their way for the whole squad. Just email your photos to brian@badgervolleyball.org or tag us on your social media.

You can also nominate someone for our **Caught Doing Good** program. This is for those fans, coaches, officials, players, etc. who go above and beyond. They are the ones who stay after practice and clean the gym. They are the ones who put in the extra half hour to help after practice if someone needs added training. They are the ones you go to get stuff done. To fill out a CDG nomination and see previous winners, click here: <https://badgervolleyball.org/caught-doing-good/>. All winners and the folks who nominated them will get Badger Region apparel and other swag.

Region announces partnership with Won80

The Badger Region is excited to announce its partnership with Won80, an organization dedicated to sportsmanship and the role it plays in athletics and character development.

As a benefit to members (clubs, parents, fans, officials and athletes), the Badger Region will work to coordinate Won80 with clubs who are interested in receiving a free sportsmanship presentation from founder Mark Horbinski, a longtime teacher, coach and official in Wisconsin for over 30 years.

Horbinski's grassroots movement called Won80 is on a mission to lead a return to sportsmanship through awareness, education and inspiration. His presentations encourage participants to focus on their own behaviors and action that will in turn allow everyone to positively impact teammates, teams and communities alike.

"I'm very excited about what could come out of this serendipitous meeting with Mark from Won80," said Badger Region

Executive Director Jennifer Armson-Dyer. "From our discussions, we share the same vision about the positive environments that athletes, coaches and officials thrive in and the damage that a negative environment can

have in so many different ways. Sportsmanship and creating positive and safe environments for

participants – many of whom are children – to succeed in, is the foundation of the mission of Badger Region, and our partnership with Won80 puts the words into action.

Won80's sportsmanship summits (many of which are about 60 minutes in length) are hands-on, high energy and engaging. They also contain relevant topics that coincide with thought-provoking and empowering messages. Horbinski also is able to work

with clubs to collaborate and customize his presentations for specific groups.

"We're currently working on plans to be able to share information and action items to those who are interested, and also reach those who need it the most but maybe don't know it or acknowledge it," Armson-Dyer said.

The Badger Region Board of Directors has set aside funds to allow a handful of clubs to experience a sportsmanship summit put on by Won80 during the 2022-23 season. The Region also hopes to host a virtual Lunch & Learn for families who would like to participate in the program. A modified in-person option is also being planned for the weekends of the Badger Region Championships for parents and families.

WON80 testimonials

"The message Mark brought to our parents, student athletes and coaches was a deep dive into seeing the big picture of high

school sports." — Brett Stoulsand, Barneveld School District Administrator

"Mark created a high-energy program that engaged the students and brought the students' voice to the discussion of sportsmanship." — Aaron May, Waunakee High School Athletic Director

"It is clear that he has great passion for kids and for creating an environment that is both healthy and energetic." — Ryan McGinnis, Kimberly High School Athletic Director

Other sportsmanship programs

The Badger Region is putting an increased emphasis on sportsmanship this season. Not only are we going back to shaking hands before and after matches, but we are also bringing back the [ESP \(Enthusiastic, Supportive, Positive\)](#) program, the [Caught Doing Good](#) feature and a new partnership with Won80.

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
