Badger Boys Series concludes; six new officials receive training

The final Friday night of the Badger Boys Series concluded on Jan. 20 at the Milwaukee Sting Center in Menomonee Falls. Teams from all around the state came in for this low-cost, low-stress format of teaching and learning. All while six new officials received live, on-court training that night.

Clubs participating in the event included I AM Volleyball Club, Milwaukee Sting, Fox Valley Performance (FVP), Milwaukee Volleyball Club, Southport VBC, Spike Milwaukee, Revolution Volleyball Academy (RVA), and Motion Volleyball Players (MVP).

At the conclusion of the league, all boys received a free t-shirt as a way to promote boys volleyball in their communities.

Officials who joined the Region for the ref training included: Connor Raasch, Natalie Erdman, Casey Hironimus, Gabe Matyas, Evan Tavera and Greg Markle.

Recruiting, coaching education tips return

The Badger Region and the American Volleyball Coaches Association (AVCA) are once again partnering to bring members the weekly Coaching Tip of the Week and the Recruiting Tip of the Week.

This year's tips debuted on Thursday, Jan. 20, and will continue through April. See the tips below:

Coaching tips:

* **Jan. 27:** A 30-minute passing progression from the coaching staff at Saint Louis University ([Click here](#))

* **Jan. 20:** Serving Progression for young athletes ([Click here](#))

Recruiting tips:

Lunch & Learn shines light on all things related to officiating

What can officials do to do better to work with coaches to make a match run smoother? Where do you draw the line when it comes to sportsmanship and enforcing positive behavior on and of the court? What does it take to be a new official?

These questions and more were asked at a Jan. 23 Lunch

& Learn put on by the Badger Region. The video can still be viewed on the Region's Facebook page: [Click here.](#)

The panel included Badger Region officials Sara Voigt, Jonah Bixby (a first year official) and Teague Prichard as well as Program Director and Coach Brian Sharkey.

Lots of questions came in via the chat and tons of great conversation was had.

The Badger Region is planning its next Lunch & Learn for February and will talk about the Badger Region High Performance All-Star program that will start up in March when it hosts tryouts.

Badger Region Night March 1 at Bucks game

The 2022 Badger Region / AVCA Coaches and Club Directors of the Year will be honored prior to the March 1 Milwaukee Bucks game at Fiserv Forum.

That night, the Bucks are offering discounted tickets to all Badger Region coaches, athletes and members to make the event a unique Badger Region Night.

The game is set for 7 p.m. against the Orlando Magic. To reserve tickets, click here: <http://fevo.me/badgerregion2223>

Concordia Wisconsin to host boys youth clinic

The Badger Region and Concordia University Wisconsin are partnering to host a middle school boys volleyball clinic on Saturday, Feb. 18, at the campus in Mequon.

The clinic will be open to any boys 14-years-of-age and younger. The event is limited to the first 30 athletes who register for the clinic.

The clinic will take place following the 1 p.m. match between the host Concordia University Wisconsin and the visiting Concordia University Chicago men's volleyball teams.

The event is free and open to any middle school boy in the Badger Region.

[To register for the clinic, click here.](#)

Concordia University Wisconsin will also host a Badger Region Youth Fall Volleyball League night at 7 p.m. on Friday, March 17.

On that night all BRYFVL participants and their families get into the match against MSOE for free.

Thank you to clubs who have completed ref-training

The Badger Region would like to thank the following clubs who have completed their 2022-23 ref-training requirements for their athletes and coaches.

Clubs have the option of doing in-person training or have athletes and coaches watch online modules to complete the certification process.

Once completed, club directors must fill out our verification form on the Badger Region website to receive recognition.

Thank you to all the clubs helping to make the volleyball experience better for all teams in the Badger Region and beyond.

I AM Volleyball hosts sportsmanship event

The Badger Region announced its partnership with Won80, an organization dedicated to sportsmanship and the role it plays in athletics and character development back in November of 2022.

Now, the first events put on by Badger Region and Won80 have come to fruition.

I AM Volleyball Club, based in Grafton, welcomed Mark Horbinski, the groups' founder, to the club for a two-night event Jan. 16-17.

There, he worked with kids of all ages as well as coaches on topics that included "My Coach Plays Favorites."

The event was a huge success and the Region looks forward to future Won80 presentations at other clubs.

Details

As a benefit to members (clubs, parents, fans, officials and athletes), the Badger Region will work to coordinate Won80 with clubs who are interested in receiving a free sportsmanship presentation from founder Mark Horbinski, a longtime teacher,

Mark Horbinski leads sportsmanship conversations at I AM VBC.

coach and official in Wisconsin for over 30 years.

Horbinski's grassroots movement called Won80 is on

a mission to lead a return to sportsmanship through awareness, education and inspiration. His presentations encourage par-

ticipants to focus on their own behaviors and action that will in turn allow everyone to positively impact teammates, teams and communities alike.

The Badger Region Board of Directors has set aside funds to allow a handful of clubs to experience a sportsmanship summit put on by Won80 during the 2022-23 season. The Region also hopes to host a virtual Lunch & Learn for families who would like to participate in the program. A modified in-person option is also being planned for the weekends of the Badger Region Championships for parents and families.

More sportsmanship

The Badger Region is putting an increased emphasis on sportsmanship this season. Not only are we going back to shaking hands before and after matches, but we are also bringing back the [ESP \(Enthusiastic, Supportive, Positive\)](#) program, the [Caught Doing Good](#) feature and a new partnership with Won80.

REFFING SHOUTOUTS

"I had Lakeshore Storm 14 Blue officiating and they were fantastic. They were alert, like judges, called all the ball all the time, knew what was happening, and overall very kind and respectful. Very impressive for this early in the season."

Official Vanessa Depies

"This past weekend, I had amazing work crews provided by multiple teams from Elevate VBC. The R2s handled subs, called nets faults and even a rotation fault with authority and confidence. The line judges gave calls on everything and the scoresheet and scoreboard were always complete and accurate."

The two matches I officiated with Elevate 18 Black, led by Halie Kapelke at R2 both times, felt like the best two matches I have ever officiated at a club tournament with a non-certified R2 (though I was excited to hear that Halie has started her certification process). Halie transitioned seamlessly, ensured I knew to let play continue if the ball hit the tape, and called net faults confidently.

Additionally, Amy Hein from Elevate 17 Black was an amazing R2 and an even better line judge. She gave eye contact after every single call as a line judge and even

called a touch that no one else in the gym seemed to notice but I went with it because of her eye contact and confidence. She even called an out of rotation on the setter leaving early as an R2.

I expect both of these young ladies to be amazing officials and line judges in the future and I hope their peers follow suit.

Bravo Elevate VBC for training their players to not only be amazing players but also great officials and scorekeepers!"

Official Anthony Chan

"The South Shore Slam 15 Lime girls team was very good, very knowledgeable on the scorebook, were great line judges and worked well together at the table."

Official Marlon Pitchford

"I just wanted to give a shout out to the Oak Creek K-Force 13U at the Rec Plex today. All the teams on court 3 did well today and were engaged in the matches, but the Coach of K-Force obviously had her girls trained and prepared and they really made an effort to pay attention to the matches they worked. They did a great job with the book and with line judging. It was very helpful to me, and I appreciated them."

Seniors can apply for scholarships

The Badger Region will be again be awarding 17 scholarships to seniors headed to college in the fall of 2023. Winners will be announced in May.

Eligible seniors must be current members and serve as an athlete, coach or official in the Badger Region for the 2022-23 season. The deadline for application is April 21, 2023.

[To apply for the scholarship, click here.](#)

Of the 17 scholarships being awarded, two of the scholarships will be awarded as part of the Frisco Mo Do Good Scholarship. These individuals must have documented some form of community service in the last year to be eligible for the Do Good Scholarships.

All candidates who meet the requirements set by the Region will be entered into a random drawing for the scholarships. All scholarships awarded by Badger Region and Frisco Mo are valued at \$500 and will be paid directly to the college or university in August of 2023.

Players and Fans: KEEP IT TOGETHER MAN!

Sportsmanship isn't just for sports! Modeling it will make you better at everything. You'll develop character that coaches and colleges look for. You'll create new relationships with other players that will be valuable as you move along in volleyball and life. You'll also garner respect from everyone on the court. It's an affirmation that you are disciplined enough to have perspective, maintain poise and do what is best for your team. Making good choices in pressure situations reveals your character.

It is easy for parents and kids to get caught up in a game and become too focused on winning. How many teams end their season with a win? So few! Let's remember to keep winning and losing in perspective. Winning is fun! It doesn't mean you were perfect or that you're guaranteed a win again. Celebrate your win with class. Losing stinks! Accept responsibility for the loss. Acknowledge the winners and congratulate them.

Parents and fans, this is for you too. I've sat in the stands with some doosies! Instead of being upset with a player or a coach, or going on about how a ref blew a call, take a minute to chill. It helps no one by getting upset. Watch the negative comments and respect the officials. They're giving their time to help our kids compete. Most importantly, support your kid and their team, win or lose. Don't just say, "be a good sport." Model it, teach it, expect it.

That's the straight dope from Frisco Mo!

Denver to host adult nationals May 23-28, 2025

The Rocky Mountains will be alive with the sound of volleyball in 2025 when Denver hosts the USA Volleyball Open National Championship on May 23-28 at the Colorado Convention Center.

The Open National Championship is the longest-running volleyball tournament in the United States and features women’s and men’s teams with players ages 18 to 80.

The field will include teams comprised of former USA Volleyball national team players and national team development program (NTDP) athletes.

“We are happy to be bringing the 2025 USA Volleyball Open National Championship to the Mile High City of Denver,” said USA Volleyball President and CEO Jamie Davis. “The Open Championship provides adult teams at every level a chance to compete against others from both foreign and domestic. This tournament epitomizes the essence of USAV and shows that volleyball is truly a sport for life. We thank the Denver Sports Commission for all its support.”

In addition, USA Volleyball will celebrate volleyball leaders and stars at its Hall of Fame Induction Ceremony ahead of the 2025 tournament.

What's it like to be a new club?

It's not easy to be the new kid on the block. And it's not easy to be a new club.

The Badger Region has made it a priority to help all new (and existing) clubs to make sure that they have all the information and resources they need to be a successful organization.

Check out how these five new clubs got started and what hurdles they hit along the way. Have questions about starting a club? Email brian@badgervolleyball.org or call the Badger Region office at 262-349-9785.

MVC-Madison

1. What was the motivation to start a new club?

To provide an opportunity for boys in Dane County to play on a high level team close to home.

2. What has been the best or most rewarding part of starting a new club?

Seeing the boys bond and develop together and compete with the highest level teams in their age group.

3. What have the biggest hurdles been and how did you overcome them?

Understanding the full process of creating a club and having systems in place, using Sports Engine and AES! Thankfully we had great support from our coach Rod Wilde, Brad Kuehl and Brian Rushmer at MVC as well as Brian Sharkey and Scott Spiess at the Badger Region.

4. What are your goals for the first season of your club?

To stay focused on the needs of each individual player and to develop them to their highest level in a short time frame. To see our athletes develop in character as well as skill. For the boys to develop strong bonds of friendship that carry beyond the court after our season is over. To represent Madison and Dane County in the Open Division at the National Championships in July.

NORTH BAY LEGENDS

1. What was the motivation to start a new club?

The lack of options outside of what would be considered traditional male sports is something that I noticed in the northern part of Wisconsin. With my participation in various school activities, I begin to realize there were male athletes who needed opportunities, which were not going to be supported through the public school system.

2. What has been the best or most rewarding part of starting a new club?

The eagerness of the boys and their willingness to be the first is something that cannot be overstated. I also found it very rewarding that as I wrote for grants at our local institutions, they to saw the need and provided much-needed funds to ensure that

athletes of all social economical levels could participate

3. What have the biggest hurdles been and how did you overcome them?

The largest hurdle, which I hope to help alleviate, is that of finding other boys clubs to play against. I think it is incredibly important that we keep the vision for growth always present and strive to tell others of the journey.

4. What are your goals for the first season of your club?

My goal is to start with a core team of nine athletes and garner interest, so that I hear from an additional 10 athletes by the end of the season. I have set two tournaments over two months and I'm looking for opportunity to take my athletes to an intensive camp ran by collegiate level coach.

EAU CLAIRE ELITE

1. What was the motivation to start a new club?

I wanted to start this new club in the Chippewa Valley area because I want to offer boys/girls the opportunity to play at an elite level, by providing them with coaches/opportunities that are from former Division 1, 2, and 3 NCAA levels. I have been fortunate to be around the sport of volleyball for quite some time now, and have made some great friendships with both players/coaches around the nation who will be able to bring a high level of play/knowledge to EC Elite Volleyball Club.

2. What has been the best or most rewarding part of starting a new club?

I think the most rewarding part for starting this club has been the positive response from the community that

we are located in. There were no obstacles or a lot of challenges in my way as a club director getting this new club off of the ground. A lot of the Chippewa Valley is very supportive for the sport of volleyball, and that is so exciting for me as a new club director. Also, of course the athletes that have committed to my club is a rewarding part of starting the club too, they are very dedicated, and hardworking players.

3. What have the biggest hurdles been and how did you overcome them?

I have not had to jump thru alot of hoops, and obstacles so far. It's truly awesome to be

under the Badger Region Volleyball organization because I definitely feel very supported and encouraged by your staff whenever I may have questions or need guidance as well.

4. What are your goals for the first season of your club?

1. To build rapport with the current players, parents, and fans

2. To clearly execute, and be organized so that we are able to be the best club we can be in the Chippewa Valley

3. To provide opportunities, and a high level of volleyball knowledge and skills from NCAA former athletes/coaches for my team to compete at a high level.

4. To provide the Chippewa Valley area with a number of opportunities for both boys and girls to love the sport of Volleyball.

WISCONSIN SHOCK

What was the motivation to start a new club? We started a new club to be flexible around the basketball schedule. All of the area clubs had practice and/or tournament conflicts with their basketball club. We did not want to force the girls to choose between the 2 so we started our volleyball club.

2) What has been the best or most rewarding part of starting a new club? The most rewarding part is providing an opportunity for the kids to develop and see them improve with each practice, when they wouldn't have otherwise had the opportunity.

3) What have the biggest hurdles been and how did you overcome them? The biggest hurdle to overcome is to form our team without accepting everyone who wanted to. Since this is our first year we only started with one team, but there is definitely enough interest to expand next year.

4) What are your goals for the first season of your club? Our goal for the first year is to establish the process to run a club so that we can easily expand next year and our coaches won't have to recreate the wheel like I did.

LAKE COUNTRY PIPE HITTERS

1) What was the motivation to start a new club?

Boys Volleyball is a very exciting sport that is in a rapid growth stage. The Lake County Pipe Hitters are filling a gap in our area. It's hard to believe that the Hartland, Oconomowoc, Pewaukee, Delafield, Kettle Moraine, Mukwonago, and Lake Country area in general doesn't have club programs geared towards boys. Some established clubs have been pulling players from farther and farther away, a local option for high level team play was needed. Doing it right is just as important, and starting with one team at the boys 16u level helps us focus on the team and management of the process.

2) What has been the best or most rewarding part of starting a new club?

The players. Volleyball boys are hungry to play, learn and compete. We've established a team with players from seven high schools in the area (Arrowhead, Catholic Memorial, Sussex, Waukesha North and South, Marquette, Kettle Moraine, and Oconomowoc)

and they gelled immediately

3) What have the biggest hurdles been and how did you overcome them?

The tryout process is very difficult to navigate. Veteran clubs know the drill, but a large group of families and new clubs, do not know the drill. The amount of chaos and player movement is interesting. Serving the players at a high level, and the stress that comes from making sure all the ducks are in a row, is also challenging at times.

4) What are your goals for the first season of your club?

We want to produce players that are ready their next level, and win some games along the way. Getting to the next level takes commitment and drive. We will be pushing ourselves to a level that includes individual development, teamwork, and implementation of set plays. Building mental toughness to "bring it" on the next play, regardless of what happened on the last play, is where winners win.

Champs to benefit KinshipMKE, American Cancer Society

The Badger Region Championships are just around the corner with three weeks of competition coming to the Wisconsin Center in March of 2023.

Throughout the course of the next few months and at the event, the Region will be highlighting the mission and stories of two groups who will be on site: Kinship MKE Community Food Center and the American Cancer Society.

Those attending the Badger Region Championships are encouraged to bring

food items for donation to Kinship MKE to benefit their food pantry.

In addition, teams will be challenged to raise money for the American Cancer Society in advance of the event.

The Region will give away prizes to winning teams and individuals.

More details about both partnerships and what to expect at the event will be forthcoming on our website and in future Badger

Beacon newsletters.

The 2023 Badger Region Championships will be March 11-12, March 18-19 and March 25-26.

Second weekend of Region's Northern Series set for Jan. 28-29

The Badger Region is starting a Northern Points Series that will begin in January of 2023.

Teams will receive points at the G14s, G15s and G16s for entering tournaments that are run as part of the Badger Region Northern Points Series. Ten points will be awarded to first place finishers, five points for second place finishers, three points to third place finishers and one point for any entries.

Awards will be given to first place in each division (G14s-G16s). Each division winner will also be awarded free future entry to a Badger Region event.

If your club or team is located in northern or western Wisconsin and wants to host a future Northern Points Series event, contact Tournament Director Kelly Lehman at kelly@badgervolleyball.org.

Donations sought for ref-starter kits

The Badger Region wants to thank the experienced officials who have donated to the ref-starter kits being put together for new officials in Wisconsin.

Your generosity is appreciated. That being said, the Region is continuing to collect gently used officiating items that can be used to build starter kits for new officials just starting off.

Some of the suggested things we are collecting include:

- * Line judge flags
- * Referee carrying bags
- * Yellow/Red cards
- * Officials polos (maybe you have certain colors you don't like to wear or sizes that you

never fit into in your closet)

- * Writing utensils and erasers
- * Correction tape
- * Coolers/lunch boxes
- * Ball pumps
- * Electronic whistles
- * Net-height chains

All new officials will receive a flipping coin, cooler and some other Badger Region swag. We just want to make it as easy on possible for new referees to get started.

If you want to donate to our ref-starter kits, you can drop off materials to the Badger Region Office (2831 N. Grandview Blvd., Suite 105, in Pewaukee).

University Athlete a benefit to all players

For any Badger Region athletes participating in our marquee Badger Region-hosted events (Champs/Qualifier/Power League) as well as other out-of-state qualifiers, we want to encourage you (or your sons & daughters) to fill out a FREE University Athlete profile to help your son or daughter get recruited.

University Athlete is a great way to allow college coaches access to your information free of charge. How does it work? College coaches can download rosters from AES (the software that runs most tournaments) and put it on their devices where they can then add notes, ratings and see your schedule. The college coach is the one who pays for the service -- not the athlete or the tournament host.

University Athlete is the industry standard. And it doesn't help the athlete if he or she doesn't have a profile in the

system.

Curtis Madson, a collegiate coach and Badger Region Board Member agrees.

"As an athlete this is the easiest and one of the most beneficial things you can do. Everyone talks about and are worried about what events they attend so that they can be noticed, but as a college coach there is nothing more frustrating than noticing you as an athlete and not having any information to contact you with," Madson said. "This is a free service to you as the athlete, that almost ALL college coaches at these events use. If you want to put yourself out there, and give yourself the best opportunity to be recruited, PLEASE fill out the profile and provide an email at a minimum."

For more information, go to: <https://universityathlete.com/> an fill out the free athlete profile.

Share your pics, stories with the Badger Region

With the start of the new year only a few weeks away, the Badger Region is once again looking forward to a handful of opportunities to feature athletes, coaches, officials and fans in the pages of our newsletter and on our website and social media.

Here's where you can come in.

You can submit a photo for the Badger Region Team of the Week. Winners of the **Team of the Week** will have Badger Region swag (mini volleyballs, lanyards, magnet clips, pens, pins and other fun stuff) sent their way for the whole squad. Just email your photos to brian@badgervolleyball.org or tag us on your social media.

You can also nominate someone for our **Caught Doing Good** program. This is for those fans, coaches, officials, players, etc. who go above and beyond. They are the ones who stay after practice and clean the gym. They are the ones who put in the extra half hour to help after practice if someone needs added training. They are the ones you go to get stuff done. To fill out a CDG nomination and see previous winners, click here: <https://badgervolleyball.org/caught-doing-good/>. All winners and the folks who nominated them will get Badger Region apparel and other swag.

Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

UPLOAD HERE: <http://badger-volleyball.org/jerseys/>

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

Badger Region, Frisco Mo partner for unique Wisconsin-themed volleyball shop

How do I get fun, Badger Region apparel all year round? Now you can thanks to a recent partnership between the Badger Region and Frisco Mo.

The online-only shop offers everything from pillows and posters to stickers and mugs to the more traditional hoodies and t-shirts.

A permanent link to the store now sits on www.badgervolleyball.org.

A portion of the proceeds benefits future Badger Region programming in the state of Wisconsin. For a link to the shop, click here.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
